Principal’s Update
By Margaret Berry

CHILDREN ADEPT IN USING THEIR IPADS
Teachers report another level of excitement with learning as the 13 1:1 iPad classes get underway. Mr Grant ICT Coordinator has been inducting teachers and students during the start up period and most classes are up and running with the use of their iPads. Ms Nilan’s year 1 students were photographing their maths activities to show their parents, Ms Harris students were undertaking online Pat tests with their iPads and Ms Blom’s year 2/3 were using Multipile Apps to discover different learning stations around the class room. Both teachers and students report that there is a greater choice of learning opportunities and student engagement in learning has increased.

SAFETY OF CHILDREN ON MUSGRAVE ROAD
This week we had some very disturbing news that an accident was narrowly avoided because parents were not crossing with their children at the designated crossing on Musgrave Road. Can I please remind parents that when you pick up the children and you are parked on the opposite side of Musgrave Road that you must take the time to walk down to the crossing. Both the crossing supervisor and the driver of the car were disturbed by the ‘near miss’ when a parent encouraged two small children to cross the road not at the designated crossing. Calling children to cross the road to your car parked on the other side is fraught with danger. Teachers on duty will be encouraging all parents to observe this rule.

SCHOOL IMPROVEMENT FOCUS – READING AND WRITING
Our very strong focus on whole school improvement on Reading and Writing continues this year. All students have every day writing books and every day writing is occurring in all classrooms. Reading groups have now been structured and modelled and guided reading is being taught. More details on how you can support your child in Reading can be found in the DP column.

P & C MEETING 9 FEBRUARY 7:00 PM
Next Tuesday evening is the first P & C meeting for the year. All parents are invited especially new parents. The meeting held in the Boardroom at the back of the hall.

HAPPY LUNAR NEW YEAR
Please join us in celebrating Lunar New Year on Monday’s assembly.

SUPPORTING YOUR CHILD IN PREP TO YEAR 3
When your child starts school, it is critical for you to continue to play an active role in helping to develop your child’s literacy and numeracy skills so they can achieve their best possible outcomes.

Here are some simple yet effective activities you can do with your child to help them apply the literacy skills they learn at school:

- Keep blank paper and pencils handy at home for writing activities.
- Have your child collect and sort the mail — who are the letters for and who are they from?
- Create a collage using junk mail, old magazines or your child’s drawings with a particular focus — this could include pictures of things beginning with an ‘s’ sound or all pictures showing a particular colour.
- Make a scrapbook — this could be about a holiday or special event, and have your child write captions for the photos and pictures.
- Make your kitchen a ‘cooking’ zone and a ‘reading’ zone — use fridge magnets to make new words and short sentences, or have your child write the weekly shopping list and read names on packages.
- Play word games and do crosswords to help develop spelling and vocabulary.
- Keep a dictionary in an easily accessible place.
- (Supporting Your Child in Prep to Year 3 article sourced from Literacy Fact sheet Department of Education and Training)

READING WITH YOUR CHILD
Reading with and to your child every day is the best way to improve their reading skills and abilities as well as harnessing their creativity and love for reading.

Reading is more than just saying the words on the page, it is concerned with the purposeful act of getting meaning from the printed or written word. All children do this by first decoding the symbols (letters, words and punctuation) and considering the various meaning that could be associated. What has been documented as extremely important is the emotional climate in which the reading takes place. What parents, teachers, siblings and peers believe, say and do make a difference!

Why not try a few of these strategies at home to encourage positive reading practices:
- Find a reading space — a comfortable space for children to explore, select and read books, magazines or the newspaper.
- Reading only no tests — enjoy reading it together, relax read together, listen to each other and stop to talk about what you both read.
- Start a family book club — spend an afternoon or evening engaging in a book review sharing the books the family have read.
- Show your child that you enjoy reading — let your child observe you reading and let them talk to you about what you are reading.
- Share digital and visual text — visual literacies are key to developing reading abilities and digital texts can engage all readers at all levels.
- Make your own books to enjoy — make books or other reading materials with your child about topics of interest or shared experiences.

Happy reading 😊

GALA DAY 1
As you would be aware from the calendar, the students in years 5 and 6 participate in 3 gala days each semester where they compete against other schools in our district in a variety of sports.

We are currently in the process of finalising the teams and starting to train in readiness. The first Gala day is on Friday 26 February.

Once the teams have been finalised, your child will bring home an information note, permission form, medical form and invoice. Please fill these in and return them with payment as soon as possible. We don’t want your child missing out.

LUNAR NEW YEAR
We will be celebrating Lunar New Year on Monday during assembly. Everyone is invited to attend and join in the celebration.

Children are encouraged to wear their cultural costume if they have one. If not, then a red Tshirt may be worn. These need to come to school in the children’s bags and they change at second break. They are not to be worn to school.

DISTRICT SWIMMING CARNIVAL
Next week, a number of students will compete in the Sunnybank District Swimming Carnival at Runcorn SS.

We wish them well. Stay tuned for next week’s newsletter to see their achievements.

SPECIAL LEADERSHIP ASSEMBLY
The presentation of badges to our school leaders for 2016 will take place on Monday 15 February.

Assembly will commence at 2:00 pm on that day. We invite all of the school community to attend and congratulate our students on achieving their positions.

WRITING
I have been into numerous classrooms in the past weeks and it is wonderful, that in spite of the heat, the children are settled and appear to be happy to be back at school.

Writing is my focus again this year. Everyday writing is very important as it develops fluency of thought and also builds up muscle tone so that the children can write without their hands hurting.

You can support us in this. Pick a relevant topic for you at home e.g. what will we do this weekend. Set the timer on the stove and then sit down with your child and write for 10 - 15 minutes. When the timer rings, stop and share your writing with each other. Let your child teach you how to prepare for everyday writing.
Music News

Congratulations to our brand new year 3 songbirds who had their first rehearsal last Friday; they were astonishing and sang with absolute beauty after 20 minutes, wow, what a year ahead of this group!

A lovely position is available to any capable piano player (parent, grandparent etc) who would be able to give the Year 3 songbirds half an hour every Friday afternoon from 2:30 pm – 3:00 pm in the music room. We are in urgent need of a piano accompanist for this group; it is very difficult to run a choir without a piano players assistance. Please see Miss Vanderbyl if you can help or ring her on 3452 4111.

Senior Choir commences this Friday at 7:30 am in the music room for any interested student from years 4, 5 or 6, boys and girls, no auditions necessary, just come along with a folder and sign on and sing! A small levy of $20 will be invoiced to choir members after they have signed on.

Instrumental Band and Strings lessons have commenced under the tuition of Mr Bryer and Mrs Gray. A small change in Mr Bryers days as follows, he is at Robertson on Monday and Wednesday at this stage.

A reminder that all 4, 5, 6 children require a descant Yamaha recorder for classroom music, available at Music Express opposite Garden City.

STRING NEWS

Just a reminder that all lessons and rehearsals have now commenced for Strings. If you are unsure of your child’s lesson or rehearsal time please contact Mrs Gray or check the timetables displayed in the Music Room.

**TUCKSHOP News**

**NEW PRICING ON ITEMS AT THE TUCKSHOP**

Please note that some items have changed in price this year. Please go to flexischools.com.au to check on the new price of items you currently purchase.

With this in mind please be sure to send enough money to school with your child to cover any over the counter purchases.

We recommend that you keep money that you sent to school to $10 and under per child as the tuckshop keeps minimal change since we changed to flexischools back in 2012.

**BIRTHDAY ICE BLOCKS**

Ice blocks are available for purchase for birthdays to celebrate with the class. However, they must be ordered online two days in advance to ensure we have stock and to allow time for that stock to freeze in the case of Zooper Doopers and Tnt’s. Please also check with your child’s teacher if it is Ok with them to order and which break is best suited to the class.

The tuckshop cannot hold iceblocks brought in from home due to lack of freezer space but are happy to ensure the delivery of stock that is ordered through the online process at flexischools.com.au.

**VOLUNTEERS**

The tuckshop is in need of new faces to help join our current tuckshop volunteers. Volunteering is a great way to meet new people in a happy environment.

No experience is necessary as it is mainly simple preparation and packing of orders that is done during the mornings along with the counter sales.

Volunteers are needed between 9:00 am and 11:00 am Tuesdays through Fridays.

If you can help please contact Jodie at the tuckshop on 3452 4111 or email rsttuckshop@gmail.com to let her know which day would suit you best.

We look forward to hearing from you soon!

SAFETY OF CHILDREN ON MUSGRAVE ROAD

This week we have heard some disturbing news. Some parents and children ignored the usual crossing point; instead crossing the road closer to Musgrave Road. This week, a child almost got hit by a car near the crossing. In order to ensure the safety of children, please help your child cross the road only at the usual crossing points.

SUPPORTING YOUR CHILD IN PREP TO YEAR 3

In order to support your child in their literacy and numeracy development, there are some tips that you can follow:

- Help your child to create a scrapbook that can be about their holidays or special events.
- Create a reading corner in the kitchen for cooking and reading.
- Help your child with their spelling by using index cards or flashcards.
- Use a reading corner in the kitchen for cooking and reading.

（學前班至三年級血色好難過的閱讀資源可見於Literacy Fact sheet Department of Education and Training）
READING WITH YOUR CHILD 和您的孩子一起閱讀

堅持和您的孩子每天一起閱讀是提高他們閱讀能力、發展思維的好方法。閱讀的目的不僅僅是讀出來，還要懂文字的意思。孩子們會自己嘗試解碼（字母、單詞和標點符號）然後思考可能相關的意義。此外，閱讀時環境氛圍非常重要，當家長、老師和小夥伴們一起做的時候會更加帶動孩子的行為。以下有一些幫助孩子閱讀的策略家長可以借鑒：

- 閱讀角——為孩子提供一個舒適的閱讀角落，孩子們可以讀書、雜誌或者報紙。
- 只閱讀，不測試——享受一起閱讀放鬆的時間，然後互相分享各自閱讀了什麼。
- 建立一個家庭圖書俱樂部——用一個下午或者傍晚的時間分享各自閱讀過的圖書。
- 向您的孩子展示您喜歡的圖書——讓您的孩子觀察您讀書並且聊聊看您閱讀的是什麼。
- 分享電子書和實體書——實體書是提高閱讀能力的關鍵，電子書目試用於不同年齡層。
- 製作自己的書——根據興趣等家長可以和孩子一起製作閱讀材料或書籍。

WRITING 寫作

在過去的幾周中我參觀了很多教室，重新回到學校學習孩子們都很高興。寫作仍然是我今年的工作重點，每日寫作可以幫助學生提高思維能力以及鍛煉手部肌肉，這樣寫字手不會痛。家長也可以在家裏幫助孩子們練習寫作。比如挑選一個話題，如：我們週末做什麼？設好倒計時10至15分鐘，然後和孩子一起寫，時間到的時候互相分享寫的內容。您也可以讓孩子告訴您進行每日書寫之前有哪些準備工作。
