If students are out of uniform without a genuine explanation, parents will be contacted by letter or phone. High standards of uniform encourage pride in the school and pride in school work. Please see the attachment regarding the school uniform policy.

MONDAY 8 JUNE HOLIDAY
A reminder that Monday is the Queen’s Birthday Holiday. Enjoy the long weekend.

CHESS ACHIEVEMENT
On 17 May Lucas S played in the Nudgee Intermediate Chess Tournament and achieved an excellent result. Lucas came 3rd in the Intermediate section and was awarded a Bronze Medal. His success in this prestigious tournament was achieved through a combination of his ongoing commitment to chess and a phenomenal performance on the day. Lucas won 7 games out of 8 against strong competitors. A total of 67 players competed in the tournament. Lucas improved his overall Queensland Junior Chess rating by 10 points. Congratulations Lucas.

**JUNIOR ASSEMBLY**

Our Junior assembly for May took place last Friday. A lot of students were recognised for their wonderful work. We had the Prep students sing us a nursery rhyme each. They did a wonderful job.

Robbie the Bear said good bye to PL, where he has spent the last month and was very excited to go home with 2H. He told me that he had a wonderful time in PL and learnt heaps.

2H have promised to look after him and ensure that he continues his journey of learning with them.

It was very interesting that nearly three quarters of the choir had never sung in a competition before, so we had quite a number of very nervous children.

New to competitions or not, the choir did not let us down and achieved a Gold award. Congratulations children! You sang beautifully. Thankyou to Miss Vanderbyl, Mrs Shee and Mrs Waldie for their dedication and passion for the music at Robertson.

**ACHIEVEMENT THROUGH EFFORT**

At Junior assembly, we also handed out the awards for Achievement Through Effort. Below is a photo of our recipients.

Congratulations to you all.

**CHORAL FANFARE**

Last Friday 63 members of the Cantabile Choir competed at Kenmore SHS in Choral Fanfare.

**FREE DRESS DAY**

Thank you to all the families and students who supported the first ‘Free Dress Day’. As a school we raised $720 which will support the P & C and Spring Fest committee in their preparations for the Spring Fest in September.

The next ‘Free Dress Day’ is scheduled for Tuesday 16 June and students wanting to participate are asked to donate a gold coin donation. The Tuesday is the preferred day in that week as the Thursday 18 June and Friday 19 June is the senior track and field days.

**REPORTING SCALES –Part 1**

Report cards reflect the judgments about the quality of student learning that has occurred over the semester and is based on evidence collected during the reporting period.

The reporting scales can vary from year levels and below is the five-point scale for **PREP**.

- **Applying (AP)**: The student demonstrates a high level understanding and skill that can be transferred to new situations.
- **Making Connections (MC)**: The student applies a high level of understanding and skill in situations familiar to them and is beginning to transfer skills to new situations.
- **Working With (WW)**: The student can work with the curriculum content and demonstrates understanding of the required concepts, facts and procedures.
- **Exploring (EX)**: The student is discovering the curriculum content and applies a varying level of skill in situations familiar to them.
- **Becoming Aware (BA)**: The student is becoming aware of the curriculum content and demonstrates a basic understanding of aspects of required concepts, facts and procedures.

- **N**: Insufficient evidence to make a judgment.

The reporting scales for Year 1-2 and Year 3-6 will be communicated in the subsequent newsletters.

**GALA DAY**

Friday 5 June is a scheduled Gala Day. Year 5 & 6 students will participate in sporting events at school and at various venues in the district.

Students are reminded to wear their sports uniform and bring their hat, a drink bottle and lunch for the day.

Good luck to all our teams and coaches.

**Ni Hǎo! 你好**

- We had twelve students to participate in the National Chinese Speaking Competition held at QUT, Kelvin Grove Campus last Saturday. There were more than 200 students from different schools across Queensland to participate in the contest. Helen W won the first place and Theresa W won the third place in the year 5 and 6 background language group. Congratulations to those two girls. I also would like to give my thanks to the parents and students who attended this event on the day for your engagement and support. I could say: “every contestant is the winner” in the competition because of their commitment and effort in preparation and performance. Well done, everyone.

- For exploring Chinese culture, Year 6 students in 6P, 6G, 5/6 R and 5/6G will visit Chung Tian Buddhist Temple on Wednesday, 10 June 2015. It is a half day excursion from 9:00 am to 12:00 pm. All students will return to school by 1pm and then have the normal school routine for the rest of the day. For those students who are not attending the excursion, they will stay in 5/6 R room doing designated

- I would like to share an excellent video on language learning. Please click the link [https://www.youtube.com/watch?v=xNmf-G81Irs](https://www.youtube.com/watch?v=xNmf-G81Irs)

Tim Doner is a senior at the Dalton School in New York City who has studied over 20 languages. His interest started at the age of 13, after several years of French and Latin, when he began learning Hebrew and soon moved on to more obscure tongues such as Pashto, Ojibwe and Swahili. As he describes it in the video, his goal is not to achieve fluency in each, but rather to learn about foreign history and culture through the medium of language. Tim has been interviewed (in English, Mandarin, Arabic and Farsi, among others) for media outlets such as The New York Times, BBC, The Today Show, Reuters and The Economist. He is starting his freshman year at Harvard next year and plans to study linguistics (Published on 9 March 2014).

**Da Vinci Decathlon Reports**

**By Chris G (Year 5 team)** – We arrived at A.B. Paterson College with 21 other schools to see who the best in QLD was. Our three teams did exceptionally well with one of the Year 6 teams coming 1st in two categories; Mathematics and General Knowledge! The Year 5 team was mentioned a couple of times in the top schools placing 3rd in Engineering and 4th in General Knowledge. The other year 6 team was also mentioned a couple of times, coming 2nd in Creative

Producers and 3rd in Code-Breaking. Everyone thought it was a fun day out and we are looking forward to seeing who will be in next year’s team! Good luck! (Team members: Jared, Joy, Josh S, Joshua C, Chris, Alicia, Asher and Abi)

**By Annabel L (Year 6 A team)** – At the Da Vinci Decathlon last Wednesday there were some moments that were hard to get through but there were moments that I enjoyed greatly. The categories I enjoyed most were Art and Poetry and Code-Breaking. For Art and Poetry our task was to create an artwork that represented movement and then write a poem to match the artwork. For Code-Breaking we were given a series of difficult questions that required us to break several different codes. Overall my team won two prizes, 2nd for Creative Producers and 3rd for Code-Breaking. (Team members: Annabel, Carly, Jason C, Simon, Nic, Edie, Celeste and Alastair)

**By Tiana T (Year 6 B team)** – I went to the Da Vinci Decathlon of 2015 with my team Esther, Grace, Tirus, Jack, Teagan, Justin and Der-An. We competed in ten different categories including science, cartography and philosophy. We had to work together to finish all the categories in a set time. In Creative Producers we had ten minutes to make a 60 second play on finding a bunyip. In Engineering we had to make a tower that could hold marbles only using a small amount of materials. We had great fun doing all the categories, but my personal favourites were General Knowledge and Creative Producers. We had an awesome day!

**QAGTC Challenge 2015: Workshops for the Gifted – Challenge 2015** is an exciting two-day program of challenging activities designed for students from Prep to Year 7 who are seeking extension beyond the regular school curriculum. The workshops will be held at Anglican Church Grammar School over two days of the school holidays; Tuesday 30 June and Wednesday 1 July. More information on the program and how to register can be found at [www.qagtc.org.au/challenge-2015-workshops](https://www.qagtc.org.au/challenge-2015-workshops)

An Evening of Excellence – Please save the date, Thursday 11 June, to come and view the incredible achievements of our students at Robertson State School across all fields of the curriculum. Displays will be open from 3:30pm – 5:30pm. Special guests Mr Ross Harvey and Ms Annette Ries will be honoured from 5:30pm – 6:30pm for their contributions to excellence at Robertson State School. An Aussie BBQ will be available with food and drinks for purchase. The evening finishes with guest speaker, Dr Louise Porter, speaking on ‘Gifted and Behaviour’ at 6:30pm in the library. To attend Dr Porter’s session, please book at [www.qagtc.org.au](https://www.qagtc.org.au). We hope to see you there.

P & C UPDATE
Next week is the Evening of Excellence 11 June and the P & C will be hosting a cake stand and Aussie BBQ at this event. Make sure you come along and support the P & C in our efforts to raise funds to provide air-conditioning for the music room - something that will benefit nearly every child at some stage of their schooling at Robertson.

All funds raised through the voluntary contribution go toward building and facilities improvements that benefit all students of Robertson State School. Funds raised through the Building Fund can be used toward air-conditioning the music room.

HOT CHOCOLATE IS BACK!
Now that the weather is cooler we are bringing back our popular hot chocolate. It is available for sale from Tuesday 9 June 2015. It will be available over the counter and also online at www.flexischools.com.au.

Pricing is yet to be confirmed due to an increase in the cost price of the chocolate from our supplier, however, it will still sell at a reasonable price as in previous years of between $1.50 and $2.00 and will sell in small and large sizes.

HEATING UP OF FOODS
Some students have been coming up to the tuckshop asking us to heat up their food. Please note that this is not usual practice for the tuckshop due to health and safety issues around food temperatures. Please send your child’s lunch in a thermal container so that it can retain its heat at a constant temperature until their break time at 11:00 am.

VOLUNTEERS
The tuckshop could do with some new volunteers to fill in the gaps in the roster. Ideally, it would be great to have 3 volunteers per day. If you have time between 9:00 am and 11:00 am any day Tuesday - Wednesday please contact the tuckshop via the office on 34524136 or come and see me at the tuckshop anytime.

You Can Do it!

The Foundation of Persistence

Student Goals: to try hard and not give up easily when doing school work I find frustration and do not feel like doing; to keep trying to complete an assignment rather than becoming distracted; to choose to play after I have done my work; when having a lot of work to do in different subjects, do not give up but make the additional effort required to complete it.
