Principal’s Update

CALLING RETIRED GRANDPARENTS AND FRIENDS OF ROBERTSON
The school is in need of support from grandparents and friends who may be retired accountants, financiers, book-keepers, secretarial or administration persons to assist with account keeping and secretarial work for the P & C. This is an opportunity to help with the smooth running of school to gain the best learning outcomes for students. If you have an interest in volunteering please contact the school office on 0734524111.

P & C AGM 10 MARCH BOARDROOM
We invite parents and friends of Robertson to attend the annual general meeting of the P & C. This group of volunteer parents are integral to the running of the school and more hands make light work. The AGM will be held at 7:00 pm in the Boardroom followed by a general P & C meeting.

PRINCIPAL’S CONFERENCE
Last week I attended the two day state principal’s conference. The theme of the conference was ‘a great school has a great school up the road’. When there is sharing of good practice within and outside the school, coupled with the latest research in education, this can bring significant improvements to student learning.

Professor Jim Spillane from Northwestern University, Chicago, USA spoke about the leading and managing instruction in education organisations: leadership in 3-D. He outlined how distributed leadership can enhance learning outcomes for students. Dr Yong Zhao spoke about Innovate to elevate: shifting the educational paradigm to prepare students to have creative and entrepreneurial skills so they are globally competent to take advantage of opportunities.

The conference had many other outstanding speakers and I will be sharing the research and new ideas with staff and parents.

STUDENTS EXCEL AT REGIONAL SWIMMING CARNIVAL
Congratulations to Josh C, Jorja R, and Lilli B, who represented Sunnybank District at the Metropolitan West Regional Swimming Trials on Wednesday 25 February.

Congratulations Jorja, Josh and Lilly for excellence results at Regional Swimming.

All had great success and are off to the State Trials on the 23 March to 25 March.

Well done to Jorja R who broke three records on the day for, 100m Freestyle, 100m Backstroke and 50m Backstroke.

A big congratulations to all and good luck for the upcoming State Trials.

JUNIOR ASSEMBLY
Our first Junior assembly for the year will be held this Friday at 2:15pm in the Activities Centre (upstairs).

Due to the cramped conditions we experienced last year, the decision was made to split the two assemblies and put them on different days so that we could have more room for the Prep – Yr 2 assembly.

All parents are welcome to attend and celebrate our children’s successes together.

ACHIEVEMENT THROUGH EFFORT (ATE) AWARDS
We will be celebrating these awards in a slightly different way this year.

At the last assembly of the month (this will usually be the split one), the winner for each class will be announced. They will receive a small certificate to take home with them.

A full certificate, including a photo, will be prepared and put on display in the Admin block so that the school community can acknowledge and celebrate with the monthly winners. At the end of the month, the full certificates will be given to the recipients. At the end of the year, a book will be formulated for the school archives with all of the winners in it.

CALL FOR HELP
Do you have some spare time during the week? Would you be prepared to help out in one of the classrooms?

We have a number of teachers who would love to have some help in the classroom. Please consider volunteering even if you don’t have a child in the class.

Grandparents, we would love to have you volunteer as well. You will need a Bluecard. Parents, you do not need a bluecard.

DO YOU HAVE
• Empty cereal boxes
• New, unused garbage bags
If you do, we would love you to donate them to the school.

CHILDREN NOT AT SCHOOL YET – PRE PREP
We would like to make contact with parents of pre-prep students to look at some early literacy networking opportunities for parents and students.

This information was requested last week but we forgot the attachment. Apologies. Please complete the attached form this week and return it to me via email (lbosh1@eq.edu.au). This information is for school use only.

Have a great week.

ASSEMBLY CHANGE OF DATE
Week 7
Monday 9 MAR - cancelled due to CGEN rehearsal.

YEAR 6 CANBERRA TRIP
The students in Year 6 have received a letter detailing the year level trip to Canberra. This school trip aligns with The National Curriculum, supports the continued leadership development of our senior students as well as offers a priceless memory in their last year at primary school.

If you would like your child to participate in the Canberra trip We are requesting a deposit of $350. Your deposit will confirm your child a place on the upcoming trip. This deposit should be paid in the next two weeks to help us gauge numbers attending and assist us in securing the initial flights.

If you have any questions please contact our office or Ms Balladone.

GALA DAY
I would like to thank our coaches for working with the students in preparation for the upcoming Gala Day.

Venues for the events are:
• Softball/Teeball Girls – Indians Baseball Fields, Runcorn
• Soccer Girls- Rochedale Rovers Soccer Club
• Basketball Boys and Girls – Stretton College
• Soccer Boys- Venue change to Robertson State School & Sunnybank State School

This week the boys’ soccer for the district was due to be cancelled due to the restoration of the pre-booked field. Robertson will host the boys’ soccer for the district on our oval.

We wish our teams all the best and remind students to wear their sports uniform, pack a full lunch, wear their hat and drink lots of water.

ACHIEVEMENT THROUGH EFFORT YEAR 3 – YEAR 6
Congratulations to the students who received the Achievement Through Effort award on the senior assembly last week.

Well done!
Music News

- Due to Sports Gala this Friday, Senior Choir will commence at the early starting time, 7:15 am. I will ensure the years 5/6s get to their sports coaches by 8:00 am after the shorter rehearsal. I will then give extra choral tuition to training Year 4’s in the choir! This will occur every time that Sports Gala occurs this year.

- The Creative Generations Wannabees Choir have their first combined workshop with the South Side Primary/Secondary Schools at Robertson State School next Monday 9 March and Tuesday 10 March from 8:30 am – 2:30 pm in the Hall. They have the task of learning a huge repertoire of songs for the big event in July at the Brisbane Convention Centre. Sing well children and do our school proud.

- Date Claimer: Thursday 2 April, 2:00 pm – 3:00 pm in the Hall: JUNIOR EASTER PARADE. Come along and hear the Songbirds Easter Medley and see the Preps, Years 1’s and 2’s in their Easter Hats. And more too!

Gifted News

Future Problem Solving (FPS) is an extra-curricular program offered to students in years 1 – 6. FPS involves students working in teams or as individuals to solve complex problems that may occur in the future. Each team works with a coach (teacher) to develop the necessary skills to solve the problems.

The FPS program will run for the duration of the year. Year 1 – 4
children will be coached by Miss Isaksen and Miss Blom. Year 5 – 6 children will be coached by Ms Ries and Mrs Grafton. Children committing to this program are required to attend each Wednesday afternoon from 3:15 pm – 4:30 pm. Next week, **Wednesday 11 March**, will be the second session.

All interested students should meet on the seats outside Miss Isaksen’s classroom (Lower Teaching Block 1) by 3:15 pm. The first 2 weeks will be a trial for students to see if they like the program. Students and their parents will then be asked to enrol their child formally and commit to regular attendance each Wednesday.

UPCOMING EVENTS

**Saturday 14 March**
WHIZ Kidz Science Workshop 3

**Thursday 19 March – Saturday 21 March**
QAGTC / IRATDE / AAEGT 2015 Joint International Conference on Giftedness and Talent Development

BOOK DONATIONS FOR THANGOOL STATE SCHOOL
We would like to ask that our families consider making a donation to assist Thangool State School to rebuild their library collection. The majority of their reading resources were lost due to flooding from Cyclone Marcia. We can accept any donations of new or ‘as new’ (meaning still in new condition, but may have been read) books, which will be sent on to the school. This would be a great opportunity for our children to show their generosity and encourage their sense of community support. Students could perhaps contribute a book of their own that they have read, but are willing to donate for other children to enjoy. All books are welcome, especially picture books, to replace the books that have been destroyed and to ensure that

their students have quality literature to engage with as their community recovers from the effects of the cyclone. Donations of books in new and ‘as new’ condition can be delivered to the library until 10 March. Thank you to those families who have already made a contribution, your generosity is greatly appreciated. Please support us as we try to help this school recover from their loss and resume teaching and learning with books to read and share together.

OVERDUES
Overdue notices are currently being issued to all children who have books that have not been returned on time. The loan period for all books, including home readers, is one week. Could you please assist your child/ren to return their books on their scheduled borrowing day so that other students can enjoy reading them. Students with outstanding overdue books will be unable to continue borrowing until they have been returned or a replacement fee has been paid.

BOOK CLUB
Issue 2 has now been distributed by class teachers. Please return your orders to the office or order online via the LOOP ordering system. [www.scholastic.com.au/loop](http://www.scholastic.com.au/loop). All orders must be submitted by 3:00pm Friday 13 March.

Happy reading,
Ms Ennis

THE MARZANO MENTORING TEAM

Consequences and rules go hand in hand. Both are required to reinforce expectations in the classroom and ensure effective learning can occur. While many people would associate consequences with a ‘time out’, loss of a favourite toy, writing lines and detention as a punishment for bad behaviour, this is not the case. Dr Robert Marzano in *The Art and Science of Teaching* reminds us that consequences need to be balanced within the classroom. In fact, studies where only negative consequences or only positive consequences were used, negatively impacted on student outcomes. Only with a combination of the two, were real outcomes seen. At Robertson State School (RSS) we ensure this is reflected in our Whole-school Behaviour Management Plan and our classroom behaviour management strategies.

At RSS, we have had long standing, whole school positive consequences (Achievement through effort, organisation awards, gotchas, and postcards) and also negative consequences (community service and buddy classes) which are used to celebrate students’ rule adherence or remind them of their lack of adherence. In each classroom, teachers have their own set of positive and negative consequences. These are used in conjunction with the classroom rules to remind students of the correct behaviours which need to be shown in the classroom. These consequences may not always be a grand gesture like a certificate. Teachers employ a number of small consequences every day to ensure that student behaviour is conducive to effective outcomes for the class.

Positive consequences
- Simple verbal acknowledgement
- Tangible recognition (points system, class shop)
- Contacting parents via email / postcards

Negative consequences
- Being ‘with it’ (addressing small disruptive behaviours immediately)
- Looking at the student, moving towards them or stopping the class
- Direct cost consequences (e.g. time out, loss of class points)
- Contacting parents

By using a balance of these two types of consequences, as well as a clearly defined and negotiated set of classroom rules, teachers and students are able to recognise the appropriate behaviours which lead to effective outcomes for the students at Robertson State School.

YOU CAN DO IT!

Resilience is the one foundation that is focused on all year. Being resilience is a vital skill for all of us if we are to function effectively in society. Being able to bounce back when faced with difficulties and disappointments means the difference between being happy or sad.

Emotional Resilience

**Emotional Resilience** means …
not getting extremely angry, worried, or down, calming down when you do get very upset, not fighting or staying away from people when you are very upset, and bouncing back to work or play.

**Examples of Emotional Resilience**
- not getting extremely angry and fighting when someone is mean or acts unfairly
- not worrying a lot about having to take a test or meeting someone
- not getting very down and staying away from people after receiving a bad result or if someone says something bad
- calming down when I become extremely angry, down, or worried and bouncing back to work or play

**Things to Think and Do to Help Me Be Resilient**

**Relaxing** means taking a few slow, deep breaths.

**Keeping Things in Perspective** means not making mountains out of molehills.

**Accepting Myself** means not putting myself down when something bad happens.

**Finding Someone to Talk to** means sharing my feelings with someone I can trust.

**Using Positive Self-Talk** means focusing on the positive and not the negative.

**Thinking** “I can stand things I don’t like.”

**Finding Something Fun to Do** means reading, playing a game, or spending time with friends.

Congratulations to our winners in the senior school. The Junior school winners’ photo will be included in next week’s newsletter.
HARMONY DAY CELEBRATIONS

On Monday 23 March we will celebrate Harmony Day on Assembly. This is recognised Australia-wide to celebrate cultural diversity. The theme is getting along with others. Students are encouraged to wear their National Costume (clothes from their country of origin) or ORANGE for that assembly. Please remind your children that this is a statement of solidarity to affirm harmony and to participate if possible.

Examples are: t shirt, shoes, ribbon, bandana, soft toy, paper streamers or fan (can be made from orange paper).

In the Library are ‘hands for Harmony’ cardboard cut-outs which can be decorated by any student who would like to. This will be announced on Assembly 16 March.

P & C UPDATE
It’s that time of year. The P & C AGM is on Tuesday 10 March at 7:00 pm Activities Centre, Boardroom. For more details about the AGM, refer to the website (http://www.rsspandc.org.au/announcements/agmonmarch10) and also the P & C constitution (http://www.rsspandc.org.au/resources). The P & C need your support and there will be a number of executive positions that we need filled in order to function properly for the 2015 year. If you have the skills and availability to assist the P & C, your efforts will not go unappreciated.

MOVIE NIGHT
After more bad weather, we’ve decided to reschedule Movie Night to a Saturday. This should allow us to use the hall in the event of rain. The new date will be confirmed in the coming days. Anyone who has purchased a ticket that cannot make the new date will be refunded their full ticket price. We’re very sorry about all the rescheduling but unfortunately the weather this time of year is a little unpredictable.

JOIN US
Have you considered joining the P & C? Becoming part of the Robertson State School P & C is easy and completely free. All you need to do is fill out an application form and bring it along to the next meeting or send it in for acceptance at the next AGM (to be held on 10 March). To learn more about the P & C, check out http://www.rsspandc.org.au

NEXT MEETING
The next meeting will take place on Tuesday 10 March 2015 from 7:00 pm – 9:00 pm. (AGM followed by General Meeting)

A MESSAGE FROM THE MARZANO MENTORING TEAM
(by Mr Benge)

規矩和行為後果是並行的; 研究顯示: 老師必須正面的獎勵和負面的處罰並用, 才能達到教導好行為,建立班級規矩的最佳效果。建議老師可以使用以下的方法:
Positive consequences 正面的獎勵--- 口頭讚美，集點卡，聯絡家長表揚學生好行為。
Negative consequences 負面的處罰--- 正視學生的偏差行為，停止講課看著學生，罰坐，扣集點分數，聯絡家長。
