JUNIOR ASSEMBLY
Our first Junior Assembly for the year was held last Friday. We had a new, very special person join our assembly, Robbie the Bear. Can you see him in the photo below?

Robbie the Bear was at the assembly, watching for students demonstrating 5 star listening during this time. This is because he is at Robertson SS to learn how to be a good 5 star listener. He wants to spend time with the class who is the best at it. This month he will be working in 2M.

Ms Hogue and 2H gave a great presentation about Organisation. Robbie the Bear was very impressed with this.

Mrs Berry handed out the Achievement Through Effort awards to the February winners. Congratulations to you all.

1W presented what they did in class to celebrate the Lunar New Year. Thank you 1W.

CHILDREN NOT AT SCHOOL YET - PRE PREP
Thank you to all of the families who have emailed me back the completed form, identifying future Robertson SS students. I don’t mind when they were born (it might have been last week). Please complete the form and return it to me.

The form has been attached again. Please complete it this week and return it to me via email (lbosh1@eq.edu.au). This information is for school use only.

YEAR 6 CANBERRA TRIP
The students in Year 6 have received a letter detailing the year level trip to Canberra. This school trip aligns with The National Curriculum, supports the continued leadership development of our senior students as well as offers a priceless memory in their last year at primary school.

If you would like your child to participate in the Canberra trip We are requesting a deposit of $350. Your deposit will confirm your child a place on the upcoming trip. This deposit should be paid by next week to help us gauge numbers attending and assist us in securing the initial flights.

If you have any questions please contact our office or Ms Balladone.

GALA DAY FEEDBACK FROM THE SOCCER BOYS
Junior B and Senior B teams won all of their games. The Junior Bs did so well that they won 12-1 in their second game. Both teams played against Yeronga, Sunnybank and Runcorn Heights.

Both teams did remarkably well. We all had heaps of fun!

CREATIVE GENERATIONS EXCURSION
Invoices have been sent home to students in years 5 and 6 for the excursion to the Creative Generations Onstage Schools performance on Friday 17 July.

Tickets go on sale at the end of March. So that we don’t miss out, we will be purchasing them at that time.

Please note the times and dates in the letter. These will be adhered to. If you would like to know more about the show, please speak to one of the teachers. We attended in 2013 and the staff and students alike were absolutely stunned with the spectacular.

Please return the forms and payment as soon as possible.

DONATIONS FOR THANGOOL STATE SCHOOL
Thank you to everyone who generously donated books. We have sent off 841 books this week to be delivered to them! This is a fantastic result showing the wonderful sense of community we share at Robertson. Your support, and your children’s enthusiasm, has been very greatly appreciated.

OVERDUES
Please note that students with any overdue books are not permitted to borrow until the books have been returned or a replacement fee has been paid at the office. Students require a library bag for borrowing. Please check your child’s class borrowing day and help remind them to pack their library bag.

BORROWING OUTSIDE OF SCHOOL HOURS
While the library is not officially open outside of school hours, we do welcome children into the library with their parents to borrow before and after school. We are generally available from 8:30am and until 3:15 pm. The library is closed after school on Mondays due to the weekly staff meeting. Students lending outside of their scheduled class borrowing without parent supervision will need to visit the library during first break.

**P & C News**

[pandc@robertsonss.eq.edu.au](mailto:pandc@robertsonss.eq.edu.au)

**P&C UPDATE**

Tuesday night was the Annual General Meeting of the P&C Association. It was a smaller than usual turn-out with some very familiar faces. The end result of the AGM is that we are still looking to fill the Secretary and a Vice President role. Glenn Rieger nominated for President and was re-appointed to the role, Alex Borkowski nominated for Treasurer and was appointed to the role, however Alex is leaving mid-year and this role will be vacated in May - as such if anyone is interested in working with Alex to facilitate a smooth transition in May it would be greatly appreciated. Krystian Wakiec nominated for a Vice President role and was also re-appointed. The P&C would like to thank Cherie Chan for her work as P&C Secretary over the past 12 months and Noush Gavanloo for her role as Treasurer.

The P&C member numbers are getting smaller and the workload is set to increase as GRG funding disappears and the school becomes more reliant on the P&C for funding initiatives that don’t receive support from the department. If you can assist the P&C in any way - even just a few hours a month please contact [president@rsspandc.org.au](mailto:president@rsspandc.org.au).

Alternatively, if you know someone who’s retired and has experience in an administrative or accounting role, please ask them to consider joining the P&C - It’s a very rewarding experience.

The P&C are looking for volunteers to help run an Easter event for fund raising such as a raffle. If you can help out, please contact [pandc@robertsonss.eq.edu.au](mailto:pandc@robertsonss.eq.edu.au). If we fail to get enough volunteers, we won’t be able to raise funds for projects like a water bore to keep the oval and gardens green all year-round.

**NEXT MEETING**

The next meeting will take place on Tuesday, May 12, 2015 from 7pm - 9pm. (No meeting in April due to April School Holidays).

**SCHOOL BANKING NEWS**

School banking day is every Friday. Please place your completed deposit book in the green bin located in the administration building before 9:00 am Friday morning.

YOU CAN DO IT!

Resilience is the one foundation that is focused on all year. Being resilient is a vital skill for all of us if we are to function effectively in society. Being able to bounce back when faced with difficulties and disappointments means the difference between being happy or sad.

Foundation for Achievement, Happiness, and Relationships
What Every Student Should Know and Be Able to Do

The Foundation of Emotional Resilience

Student Goals: being able to stop myself from getting extremely angry, down, or worried when something “bad” happens, being able to control my behaviour when I am very upset so I don’t fight or stay away too long from people, being able to calm down and feel better when I get overly upset, being able to bounce back to work or play after being very upset.

Examples of Emotional Resilience

- Not getting overly upset from mistakes in my work or when I have not been as successful as I would like to be.
- Not getting overly frustrated and angry with myself when I do not understand something.
- Not getting very down when my friends seem to understand their school work and do better on tests than I do.
- Not getting extremely worried before an important test or event in which I have to perform in public.
- Avoiding excessive worry concerning my popularity with peers.
- Not getting overly angry when peers are mean to me.
- Not losing my cool when an adult treats me unfairly or disrespectfully.
- Not getting too down when being teased or ignored by friends.
- Being calm when meeting someone new, and not getting extremely nervous.
- Stopping myself from getting extremely worked up when I want to stand up and say “no” to someone who is putting pressure on me to do the wrong thing.
- Not losing my cool when I have lots of homework to do.
- Staying in control when my parents say “no” and the parents of my friends seem to be saying “yes”.
- Returning to my studies after receiving a bad result.

Negative Habits of the Mind that Hurt My Resilience

- **Self-Downing** means thinking that I am useless or a total failure when I have been rejected or have not achieved a good result (replace with Accepting Myself).
- **Needing Approval** means thinking I need everyone to approve of what I do and say and that it is awful and terrible when others think badly of me.
- **Needing To Be Perfect** means thinking that I need people (peers, parents, teachers) to approve of what I do and that when they do not, it’s the worst thing in the world (replace with Being Independent).
- **I Can’t Do It** means thinking that when I have not been successful at something important, I am no good at anything and I never will be (replace with I Can Do It).
- **I Can’t Be Bothered** means thinking that life should always be fun and exciting and that I can’t stand it when things are frustrating or boring (replace with Working Tough).
- **Being Intolerant of Others** means thinking that people should always treat me fairly and considerately (and be the way I want) and when they do not, they are rotten people and I have a right to get back at them (replace with Being Tolerant of Others).

As we had no assembly this week, we will announce two week’s winners on Monday – stay tuned!

Last week’s Junior winners are on the front page – aren’t they amazing?
