SPLITZ GYM TAKES CLASSES
During HPE lessons this week, Splitz Gym coach John Zhang has delivered beginning gymnastic lessons for all classes. These lessons have been very well received by the students. They even got to jump into the pits in his lesson.

Splitz Gym are providing after school classes for boys and girls next term. I commend these to you. Please see the SPLITZ program at the end of this newsletter.

IMPROVEMENT AGENDA

The School Improvement Agenda for 2015 is to improve Reading and Writing by 1% - 2% compared to students’ Reading and Writing results in 2014. To achieve this, a team approach has occurred across the school.

Extra teacher aides have been employed to support individual and group literacy teaching.

The school introduced the FastForWord program to improve memory, attention, processing rate and sequencing. Over 40 students have accessed this program so far and more have enrolled for Semester 2. To date the results are positive.

All prep student have completed the Support A Talker programs – oral language development is the key to improving reading and writing. Students from English as a Second Language or dialect (EALD) have undertaken the Multilit phonics and word recognition program.

Teachers have undertaken professional development with Literacy Consultant, Lee Denton on how to improve their teaching strategies in Guided Reading and Guided Writing.

Library resources for literacy have been significantly increase to support home readers and reading enrichment.

The Master Teacher has working been with teachers in years 2, 3, 4 and 5 in developing Reading Goals and Targets. She has also inserviced all teachers on the explicit teaching of guided reading.

As we are half way through the year, teachers are now assessing the progress of their students and fine tuning their teaching practices for Semester 2.

Parents are encouraged to talk with their teachers at parent teacher interviews on Wednesday 22 July about their child’s progress in Reading and Writing.

SCHOOL OPINION SURVEY
The annual School Opinion Survey will be conducted between 29 June and 31 July 2015. All families, school staff and a random sample of students will be invited to participate. Access details for the Parent/Caregiver Survey will be sent home with students next week.

DA VINCI DECATHLON REPORTS

By Chris Gregg (Year 5 team)
We arrived at A.B. Paterson College with 21 other schools to see who the best in QLD was. Our three teams did exceptionally well with one of the Year 6 teams coming 1st in two categories; Mathematics and General Knowledge! The Year 5 team was mentioned a couple of times in the top schools placing 3rd in Engineering and 4th in General Knowledge. The other year 6 team was also mentioned a couple of times, coming 2nd in Creative Producers and 3rd in Code-Breaking. Everyone thought it was a fun day out and we are looking forward to seeing who will be in next year's team! Good luck!
(Team members: Jared, Joy, Josh S, Joshua C, Chris, Alicia, Asher and Abi)

By Annabel Lee (Year 6 A team)
At the Da Vinci Decathlon last Wednesday there were some moments that were hard to get through but there were moments that I enjoyed greatly. The categories I enjoyed most were Art and Poetry and Code-Breaking. For Art and Poetry our task was to create an artwork that represented movement and then write a poem to match the artwork. For Code-Breaking we were given a series of difficult questions that required us to break several different codes. Overall my team won two prizes, 2nd for Creative Producers and 3rd for Code-Breaking. (Team members: Annabel, Carly, Jason C, Simon, Nic, Edie, Celeste and Alastair)

By Tiana Tong (Year 6 B team)
I went to the Da Vinci Decathlon of 2015 with my team Esther, Grace, Tirus, Jack, Teagan, Justin and Der-An. We competed in ten different categories including science, cartography and philosophy. We had to work together to finish all the categories in a set time. In Creative Producers we had ten minutes to make a 60 second play on finding a bunyip. In Engineering we had to make a tower that could hold marbles only using a small amount of materials. We had great fun doing all the categories, but my personal favourites were General Knowledge and Creative Producers. We had an awesome day!

STEAM RESIDENTIAL

Another STEAM Residential program for girls is being run this school holidays. STEAM (Science, Technology, Engineering, Arts and Mathematics) is specifically aimed at gifted year 5 and 6 girls. **Book Returns for End of Term**
All library resources are due to be returned before the holidays. Could you please assist your child/ren in returning their books by Monday 22 June so that they can be scanned and shelved. Home readers must be returned, as well as general library books. Please look out for notes being sent home from the library this week listing any outstanding loans that need to be returned.

**Readers Cup**
Well done to our Readers Cup team. Gabrielle, Holly, Ashlyn and Helen performed well in a field of 27 school from the Brisbane South area as they competed at Algester State School on Thursday. The girls met author David Cox, who presented a great speech about his writing and illustrating processes. Congratulations girls!

**Help with Covering**
We currently have a huge number of new books that require covering. We would appreciate the assistance of any volunteers to help get these covered before the holidays so that they are ready for our students to borrow immediately in term 3. It’s not a hard job, just time consuming! Due to the quality of the materials we use, it is a LOT easier than covering student exercise books. If you can spare any time in week 10, please drop in to the library and cover a few books. Training, tea and coffee are provided, and younger children are welcome to join you.

**Premier’s Reading Challenge**
The Premier’s Reading Challenge has commenced. Students will receive a reading log before the holidays. These are due to be returned to the library by Friday 28 August.

‘The Premier’s Reading Challenge (PRC) is an annual statewide initiative for state and non-state schools and home-educated students up to Year 9, and children attending an approved kindergarten program or long day care centre. Over the past ten years, more than 10 million books have been read, and in 2014 alone over 108,000 students participated in the challenge. The challenge is not a competition but aims to improve literacy and encourage children to read widely for pleasure and learning.

To successfully complete the PRC, students must read or experience the number of books indicated in the table below. The requirement for Year 5 through to Year 9 students to read 15 books acknowledges that older students are likely to select longer, more complex books that may take them longer to read. Students who complete the challenge have their efforts recognised through the receipt of a Certificate of Achievement signed by the Premier of Queensland.’

P&C UPDATE
Congratulations to the School for a great Evening of Excellence. It was very interesting to learn about some of the history of the School and the P&C. The P&C raised some vital funds to put towards air-conditioning the Music Room thanks to some dedicated helpers and chef Gary (Mr W) who did a great job on the school’s new BBQ. Don’t forget to send gold-coin donations with your children on free-dress days. These days have been very successful so far and help us raise the funds we need to complete projects that benefit all children at Robertson State School.

The P&C executive are meeting this week to ensure that from an organisational perspective, the P&C is running smoothly. We’ll be reporting any actions from that meeting at the next P&C meeting.

We’re also rebuilding the P&C website. The old website will be replaced very soon with a new, fresh website that’s easy for us to maintain and easy for parents to navigate.

ENTERTAINMENT BOOKS
Help the P&C raise enough money to air-condition the music room. For every Entertainment Book or Digital Membership sold through the P&C, we get to keep $13. For $65 you can save lots more money throughout the year by buying Woolworths and David Jones e-gift cards at a discount, through the MyBookings website which guarantees the lowest accommodation prices at over 1700 hotels and through the hundreds of 2 for 1 and discount vouchers at cafes, restaurants, take away venues and other entertainment places. We saved $65 in just two weeks. Order at www.entbook.com.au/222h379 or contact entertainmentbooks@rsspandc.org.au for more details or cash sales.

NEXT MEETING
The next meeting will take place on Tuesday, July 14, 2015 from 7:00 pm – 9:00 pm. Members please send any requests for agenda items to pandc@robertsonss.eq.edu.au.

- By Chris G (year 5 team) - 我們到達A.B. Paterson College與其他21所學校競賽，看看誰是昆士蘭州最好的團隊。我們學校三個團隊都非常出色：其中一個6年級團隊在數學和常識組榮獲第一名！5年級團隊的在工程組獲得了第三名，在常識組獲得了第四名。另一個6年級團隊在創意製作獲得了第二名，在密碼破譯獲得了第三名。每個人都認為這是很有趣的一天，我們期待著誰會參加明年的團隊！祝好運！

- By Annabel L (year 6 A team)
  我最喜歡的類別為藝術與詩歌和密碼破譯。關於藝術和詩歌，我們的任務是創作一件藝術品，然後寫一首詩描述這件藝術品。在密碼破譯這關，我們有一系列棘手的問題，需要我們突破幾個不同的代碼。我的團隊贏得了兩個獎項: 在創意製作獲得了第二名，在密碼破譯獲得了第三名。 （團隊成員: Annabel, Carly, Jason C, Simon, Nic, Edie, Celeste and Alastair）

- By Tiana T (year 6 B team) – 我的團隊成員有: Esther, Grace, Tirus, Jack, Teagan, Justin and Der-An.
  我們在十個不同的類別競賽，包括科學，地圖學與哲學。我們必須共同努力，在設定的時間內完成所有類別。在創意製作這關，我們有十分鐘製作60秒的戲劇。在工程，我們只能用少量的材料做出一個能支持玻璃珠的塔。我們有很多的樂趣參與所有類別，但我個人最喜歡的是一般知識和創意製作。我們有個很精彩的一天!

Premier’s Reading Challenge 州長盃閱讀挑戰
州長盃閱讀挑戰已經開始，在假期前的學生將拿到閱讀記錄單。請在八月28日星期五前，將完成的閱讀記錄單交到圖書館。
在過去的十年裡，已經閱讀了1千多萬冊圖書，並在2014年就有超過108,000名學生參加了挑戰。我們面臨的挑戰不是競爭，而是鼓勵孩子廣泛閱讀和學習。
要成功完成閱讀挑戰，學生必須閱讀以下圖書的數量：Prep – Year 2--- Read or experience 20 books ; Years 3 – 4--- 20 books ; Years 5 – 9--- 15 books. 學生若完成這一挑戰，將可收到昆士蘭州長簽署的證書，以認可他們的努力。

You Can Do it! 恭喜第七周和第八周的得獎同學!
