PARENT SURVEY
Last year a parent survey was conducted in October for the Quadrennial School Review. One of our parents, Rhonda McLaren through her company Proof Research assisted us with this. The results of the survey have been presented in School Council and some staff and parent forums.

As there is limited time at the P & C meeting to show the power-point the P & C decided to make the results of the survey available in hard copy. This can be obtained from the school office.

PARENT TEACHER INTERVIEWS
This year we have formalised our first parent teacher interview.

If you have not already had an interview with your child’s teacher to discuss their progress, and would like one, you will have the opportunity on Wednesday 1 April.

Interviews will be held in the classrooms commencing at 3:15 pm and finishing at 8:00 pm. Bookings can be made online at: http://sobs.com.au/

Bookings are now open and will close on 30 March at 3:00pm.

ONLY ONE WEEK TO GO!
There is only one week left for students in years 5 and 6 to purchase a ticket to see the Creative Generations State Schools on Stage in July.

Invoices have been sent home for the excursion on Friday 17 July.

Tickets go on sale at the end of March. So that we don’t miss out, we will be purchasing them at that time.

Please note the times and dates in the letter. These will be adhered to. If you would like to know more about the show, please speak to one of the teachers. We attended in 2013 and the staff and students alike were absolutely stunned with the spectacular.

Forms and payments to be made at the office. Don’t miss out!

LOOK AT WHAT ROBBIE IS DOING!
As mentioned in last week, Robbie the Bear is spending the next couple of weeks with 2M.

He came to the whole assembly this week and was amazed at how wonderful his class was during this special time.

Robbie the Bear is always organised for learning and he is enjoying his time in 2M. Robbie, Tanya, Isabela, Sara, Bokai and Shreeyani are all on task doing some silent reading.

GALA DAY
On Friday 6 March 200 students and staff from Robertson State School participated in the first Gala Day for 2015. Teams represented our school in Basketball with Miss Harris and Mr Colston, Soccer with Mr Gibb and Miss Singh, Softball and Teeball with Mrs Grafton as well as AFL with Mr Gallaher and Mr Pulsford.

Coaches reported countless displays of teamwork and plenty of energy and determination when students engaged with other schools on the sports field. Mrs Berry and I had the privilege of visiting our teams and congratulating them on their efforts. It was also a pleasure to meet many family members at the games who were cheering on the teams. We thank all our parent volunteers who attended the day, your assistance is invaluable. If you can volunteer for a Gala Day please see the respective coach about assisting on the day.

NATIONAL DAY OF ACTION AGAINST BULLYING AND VIOLENCE

The fifth National Day of Action against Bullying and Violence will be held on Friday, 20 March 2015.

This annual day provides a focus for all schools to say "Bullying, No Way!" and to strengthen their existing everyday messages that bullying and violence at school are not okay at any time.

Parents seeking more information on the topic can visit the following link Bully No WAY! This link will provide facts on bullying including cyberbullying as well as resources on how to talk to your kids about the topic.

For students under 8 years old the following link will be helpful Bully No WAY! For students older than 8 years and up to 14 years old the following link Bully No WAY! offers interactive resources to better understand what is bullying and how to deal with it.

Robertson State School supports the initiatives from this national day, and acknowledges our three school rules everyday – Be Respectful, Be Responsible and Be Safe. These rules along with our Responsible Behaviour Plan provide a safe and supportive environment for all members of our community.

The Cross Country is scheduled for Tuesday 24 March, commencing at 9:05 am on the school oval.

Races are scheduled over the day and students will be supporting their sports team Duncan, Stewart or Angus by attaining house points. Students are able to wear their sports uniform on the day or a t-shirt with their house colour.

Students are reminded to have a good sleep the night before along with a hearty and healthy breakfast to fuel their bodies.

Remember your hat and a drink bottle and good luck to all our runners.

JOGGING CLUB

Congratulations to the following students who have been training for the upcoming Cross Country during their regular PE lessons and attending Jogging Club on Monday to Wednesday from 8:30 am – 8:45am on the oval.

Some of the students who have participated in Jogging Club have reached the milestones of 10km and 20km distances. A certificate for their accomplishments were presented on Assembly. We look forward to keeping up the fitness of our students and presenting more certificates in the coming weeks. Parents are also welcome to join the Jogging Club.
Music News

- The Wannabees Creative Generations Choir had a massive two days of singing last Monday and Tuesday with 200 singers from near and far. They were fantastic as they sang and learnt their way through 13 very tricky arrangements of some of the many songs they will be performing at the huge event in July at the Brisbane Convention Centre. We are so proud of these 60 children who are representing Robertson State School.

- The Junior Easter Parade is happening on the last Thursday of term in the hall at 2:00 pm for all preps, 1, 2, 3s. Come along to be entertained!

- The Senior Cantabile Choir is performing as part of the 100 Years ANZAC Commemoration 2015, at Brooklands Retirement Village in Romulus Street, Robertson, on Tuesday 21 April at 1:00 pm in their hall. We are thrilled to be part of this Community Event in our Neighbourhood! Choir normal time this Friday at 7:30 am.

STRING NEWS

Once again, an instrument has been lost because a parent has entered the storeroom to collect it. The storeroom is ONLY TO BE ACCESSED BY STUDENTS. This also means the cello racks. No parent is to take an instrument from the cello racks. Part of learning an instrument is accepting responsibility for this instrument. If you allow your student to carry their instrument into the school and collect it at the end of the day you will find that they will take ownership over their own belongings and develop more responsibility as a result. The only exceptions to this rule are our 5 double bass students who may require assistance from a parent.

HARMONY DAY

On Monday 23 March we will celebrate Harmony Day on Assembly. This is recognised Australia-wide to celebrate cultural diversity. The theme is getting along with others. Students are encouraged to wear their National Costume (clothes from their country of origin) or ORANGE for that assembly. Please remind your children that this is a statement of solidarity to affirm harmony and to participate if possible. They bring their clothes/items to school and wear/take them to assembly. Examples are: t shirt, shoes, ribbon, bandana, soft toy, paper streamers or fan (can be made from orange paper).

In the Library are ‘hands for Harmony’ cardboard cut-outs which can be decorated by any student who would like to participate.

YOU CAN DO IT!

Resilience is the one foundation that is focused on all year. Being resilient is a vital skill for all of us if we are to function effectively in society. Being able to bounce back when faced with difficulties and disappointments means the difference between being happy or sad.

Things To Do To Help Me To Be Resilient

- Being aware of how upset I am and deciding to keep calm
- Relaxation techniques
- Finding someone to talk to
- Finding something fun to do
- Finding a “time out” area to de-stress
- Exercising
- Eating healthy foods
- Having a good laugh and not taking myself or the situation so seriously
- Being assertive
- Problem solving to figure out how to make the problem go away

Ways of Thinking That Help Me To Be Resilient

- Using It’s Not as Bad as You Think It Is thinking – for example, “It’s not the worst thing that could happen to me.”
- Using I Can Stand It thinking – for example, “I don’t like it, but I can stand it.”
- Using Accepting Myself thinking – for example, “When I make mistakes or people don’t want to be around me, I know that I am not a loser. I am still me, capable and likeable.”
- Using Taking Risks thinking – for example, “It’s OK to make mistakes when learning new things.”
- Using Being Independent thinking – for example, “I don’t care that much what people think of me. It’s important to do what I want and to be me.”
- Using I Can Do It thinking – for example, “I’m more likely to be successful than to fail.”
- Using Being Tolerant of Others thinking – for example, “When people do the wrong thing or when they are different from me in custom or appearance, I do not condemn them as being bad or inferior.”
- Using Working Tough thinking – for example, “To achieve success, everyone has to do things they do not feel like doing.”
