WELCOME TO NEW STAFF MEMBER
The new staff member Mel Kennedy will take over the Marketing and Communications role in the school. Mel has a background in communications and is a mother of three children (two primary and one high school).

Mel will be helping with the promotion of the school, grant writing and assisting with parent groups and functions. Stephanie Logan, due to family reasons, was not able to continue in the position. Please welcome Mel to our school team.

MASTER TEACHER
With our focus on reading in Term 1, Tracey Leong, Master Teacher, has been working with teachers on the analysis of each students’ reading data and personalising reading goals and setting targets. Her work has been well received by teachers as we move towards a consistent approach to reading and improved reading outcomes from P - 6.

JOGGING CLUB HAS STARTED
Mr Trent and Ms Harris have started the jogging club each morning from 8:30 am – 8:45 am. It is supported by the sports captains. I encourage all students to increase their fitness by attending jogging club. Increased fitness of children builds resilience, good health and better learning (more information within)

PET PEP AVA
This week the Prep students had visitors who came to talk to them about pets and how to look after them.

Some of their visitors had four legs and others had two. They had 3 four legged visitors who helped them learn how to be safe around dogs.

The two legged visitors were Vets who spoke about caring for pets and keeping them safe.

Reading is a wonderful way to learn about the world as well as develop a great vocabulary.

Every child should read out loud to somebody everyday. Hearing yourself read out loud, is very different to reading inside your head.

It is also good to read to your child everyday. This demonstrates good reading behaviours like fluency and pronunciation. Evidence shows that children who read and are read to every day, progress faster in this area and develop a love of reading.

Have a great week.

ASSEMBLY CHANGE OF DATES
The following changes have needed to be made to the assembly schedule over the next few weeks. These will accommodate whole school and community events.

Assembly for the whole school or senior/junior school will be held in the activity centre.

Week 5
Monday 23 FEB: whole school assembly - Lunar New Year Celebrations

Week 6
Monday 2 MAR: senior assembly (only) 2:15-3:00pm
Friday 6 MAR: junior assembly (only) 2:15-3:00pm

Week 7
Monday 9 MAR - cancelled due to CGEN rehearsal.

NUMERACY IMPROVEMENT
The improvement of Numeracy for all students is another school wide focus in 2015.

To assist our teachers and students, year 3 – 6 classes participate in ‘Mathematics Differentiation’ classes often referred to as Maths Diff. Students in each year level are supported by a specific classroom teacher and differentiated program in the area of Numeracy and Mathematics.

In 2015 the senior school classes are strategically timetabled in the morning session. This assists with the placement of resources in this subject area. Classes are assisted with teacher aides and specialist teachers have been employed to cater for individual needs. In year 6 approximately 10 students are participating in the Distance Education program which is accelerated learning at their level.

Mathletics is another resource available to students. It is a fun, supportive and effective online tool.
Music News

- All Music Groups Rehearsals (except Beginner Strings and Junior Band) have commenced this week. We wish all groups a wonderful happy musical journey with their conductors this year.

- Most Instrumental children have now been allocated their hire instruments. Please ensure your child has the required music books for their lessons as soon as possible. Contact your Instrumental Teacher if you are unsure what is needed.

Ni Hao! 你好

- Chinese lunar New Year is approaching on Thursday, 19 Feb 2015. It is the year of the SHEEP (GOAT)
  All Parents are welcome to join a short celebration of Lunar New Year at Assembly on 23 February 2015 (week 5). It will be a wonderful, colourful display if many students wear their country’s outfits so please encourage them to join in. All other students may wear a sheep T shirt or a red T shirt or bring a toy sheep to Assembly.
  - Chinese New Year is the most important of the Chinese holidays, and is a time of feasting with the family, celebration, fireworks and gift-giving. It is a 15 day holiday, beginning on the first day of a new moon and ending with the full moon on the day of the Lantern Festival. The Chinese calendar is based on the lunar year, so the date of Chinese New Year changes every year. The Chinese calendar follows a 12 year pattern with each year named after an animal. There are various stories which explain this. The simplest story, is the Jade Emperor invited all of the animals to have a race for a New Year celebration, but only the first 12 animals to the finish line were rewarded with a year named after each of them. The order of those 12 animals is the Rat, followed by the Ox, Tiger, Rabbit, Dragon, Snake, Horse, Goat (or Sheep), Monkey, Rooster, Dog and Pig.
  - Find out your animal according to the year you were born.

### Gifted News

Early Entry to Year 1 is an option for parents to consider for their gifted children entering school. The process involves students skipping the Prep year of schooling and being accelerated straight into year 1 upon starting school. A parent information session for prospective 2016 Prep students considering Early Entry will be held on Wednesday 4 March at 9:30 am. Parents interested in attending should email me at hisak1@eq.edu.au to register.

The Queensland Association for Gifted and Talented Children (QAGTC) have joined forces with The International Research Association for Talent Development and Excellence (IRATDE) and The Australian Association for the Education of Gifted and Talented (AAEGT) to put together an outstanding program for their annual conference in 2015. The Conference is always designed with both practitioners and parents in mind, and is being held at the Brisbane Convention Centre. This year there will be many noted international researchers and experts in Gifted Education presenting along with Queensland and Australian presenters. Interested parents should look on the QAGTC website for registration details.

### Library News

**PARENT READING INFORMATION SESSIONS**

It was lovely to meet so many parents last week during these sessions. Thank you to everyone who attended. For those who were unable to attend, a brief overview of the topics covered in each session will be included in the next library newsletter, due out later this month.

We are currently considering other topics for parent information sessions in 2015. If you have a suggestion for a workshop, please contact me at cenni3@eq.edu.au and we will see what we can fit in.

**BOOK CLUB**

Thank you for your support of Book Club. Issue one earned us almost $200 in rewards. It was great to see so many parents taking advantage of the new LOOP online ordering system. Issue one orders are now closed. Issue two should be distributed by teachers in the coming weeks.

**READING CHALLENGE**

We have already had some avid readers complete the challenge! All entries need to include the student’s name and class, then be delivered to the library. Good luck to everyone still reading. I hope you and your children are enjoying the opportunity to explore a variety of texts. Entries are due at the end of week 9.

Happy reading,

Organisation

Organisation means...
setting a goal to do my best in my school work, planning my time so that I’m not rushed, and having all my supplies ready.

Examples of Organised Behaviour

- making sure I understand my teacher’s instructions before I begin work
- having all my school supplies ready
- having a neat desk and school bag so I can find everything
- planning when I’m going to do my homework so I have enough time

Habits of the Mind To Help Me Be Organised

Setting Goals means thinking that setting a goal can help me be more successful at something.

Planning My Time means thinking about how long school work is going to take me to get done and planning enough time to get it done.

3V have drawn mind maps to display their understanding of Organisation.

1N discussed Organisation and drew a picture of what organising means to them.

Congratulations to our winners.
