STUDENT FREE DAY
PROFESSIONAL DEVELOPMENT WITH TEACHERS AND TEACHER AIDES - A SUCCESS
Deputy Principal, Cartia Balladone and Master Teacher Tracey Leong led the professional development on Reading with teachers and teacher aides. A deeper understanding of how to develop student’s Reading goals and targets was explored. Deputy Principal, Lesley Boshammer led the inservice on developing a consistent approach to stamina writing/every day writing. All students will now be working on every day writing. Andrew Grant worked digitally with teachers using their iPads and learning apps which support Reading and Writing. Teacher aides also updated their first aid qualifications. Monday was a very busy but successful day as teachers and teacher aides became learners.

GALA DAY
The last Gala Day for 2015 is scheduled for Friday 30 October.

Students are reminded to check with the school office to confirm their final payment has been made and coaches can confirm the venue for their sporting team.

We invite all families to visit or attend the Gala Day events and celebrate in our students successes. If you are able to volunteer your services to assist our teams please see the coaches.

NATIONAL BANDANNA DAY
National Bandanna Day is CanTeen’s largest fundraiser and is to be held on Friday 30 October.

It’s the 21st anniversary and it’s going to be bigger than ever! Bandannas play a significant role as a symbol of hope and empowerment for people who are affected by cancer and are worn during their cancer journey.

The Student Council will begin selling bandannas next week for just $4 each.

As a school we will acknowledge National Bandanna Day on Monday 2 November. Students who have purchased a bandanna to support CanTeen are able to wear the bandanna to school for the day.

YEAR 5 EXCURSION
In Term 3 the Year 5 students learnt about the Australian Gold Rush period in their History unit.

Last Friday students participated in a full-day excursion to a simulated gold field. Students and teachers joined in the extensive activities on the day (role playing, tent making and mapping activities) and dressed in period outfits. Set in bushlands, the students experienced what it would have been like to live in a gold field township in 1854. The students were able to bring the curriculum to life!

CONGRATULATIONS DECLAN
Last Sunday Declan won the Qld Title for National All Styles (NAS) Martial Arts forms. The NAS is a competition for all martial arts students in Australia and he competed in a number of rounds, leading towards the State title. Declan has shown a lot of commitment and dedication since he started 9 months ago. His next challenge is the National Title in December.
Music News

Today, 50 selected singers from the Senior Choir performed at Silkstone Eisteddfod. Considering the very few rehearsals due to holidays and my long service leave, they were wonderful, and did Robertson State School proud. Well done children and thank you to our accompanist, Mrs Shih and of course, our marvellous Mrs Waldie.

There is choir as normal tomorrow, Friday at 7:30 am, as we prepare for the final concerts this year, culminating in a special night on the last Wednesday of this term, expect more!

### CHESS

Congratulations to the Robertson SS chess team who finished 3rd in the Queensland Inter-School State Finals over the weekend. 32 teams from around the state competed in this invitation only event. The Robertson SS chess team has lost a number of players through scholarships to private schools this year and this outcome is a result of the hard work the entire team has put in this year.

Well done also to our girls’ team that competed at the Queensland Girls Inter-School Finals last Friday at St Thomas’ Primary School. The girls finished 13th from 21 teams. This is an especially good result considering our oldest player and Captain, Jade, is 9 years old and the average age of the team is 7 years old. Well done girls!
Congratulations to all of our students who participated in competitions last week.

TECH NEWS
Thank you to everyone who submitted an expression of interest in the BYO iPad trial for next year. Over 320 students have expressed an interest in the program. 2016 Classes are currently being formed and parents will be notified later this term.
