Principal’s Update

TERM 2 UNDERWAY

Teachers have quickly focussed students on reading, writing and numeracy in their first lessons for the term.

Our goal to improve reading and writing by 1 - 2% continues the improvement agenda. With the overall presentation of the students pride in uniform and pride in bookwork are being reinvigorated.

In extra curricula activities, on Tuesday the Cantabile Choir presented an amazing tribute at Brooklands Village 100 year ANZAC commemoration (see details P 2). Year 5 students were fortunate the sun began to shine on Wednesday for the St Helena excursion.

Overall it was a very productive start to Term 2.

BUSINESS BREAKFAST

WEDNESDAY 29 APRIL

The P&C Business Networking Breakfast for local businesses and sponsors is shaping up to be a very worthwhile event.

It is supported by our local politicians and Brisbane City Council’s Strategic Urban Planning Team.

A talk will be given on planning in the local area.

**Time:** Wednesday 29 April beginning at 7:00 am

**Location:** Library

We would like as many of our parents who have businesses to join the networking breakfast.

Please contact Mel Kennedy, (Marketing and Communications Manager) on mkenn213@eq.edu.au if you can join us.

ROAD SAFETY

As the term begins, I need to remind all parents about the pick up and drop off zones time limits and the need to cross the road at the designated crossing.

At the front of the school there are signs which state cars can only be in the drop off zone for 3 minutes. If your child has not arrived you need to move on to allow for the flow of traffic.

When crossing the road, it is particularly important that parents use the designated crossing. In some instances students are being called across Musgrave Rd by parents waiting in cars on the opposite side. This is highly dangerous and we do not want our children to be involved in an accident. A few extra minutes to cross at the designated crossing could save your child’s life.

SUNNYBANK DISTRICT ANZAC SERVICE AND MARCH

Parents and students are invited to join the Robertson school group in the March Saturday 25 April at 7:30 am at corner of Turton St and Station Rd. Full dress uniform and hat are required.

CHOIR AT BROOKLANDS
The Cantabile Choir had their first major event this year, performing a special ANZAC Commemoration concert at Brooklands Retirement Village.

Along with a number of parents and staff, the choir walked to Brooklands and performed a number of items for the residents.

After the concert, the students viewed the special ANZAC display at the Village, before having afternoon tea and returning to school.

A big thankyou to the parent volunteers who joined us and also to Miss V and Mrs Waldie.

OPEN DAY
Our annual open day will be held in May. If you are speaking with families outside of our school community who are interested in learning about the school and what we offer, please refer them to the school’s website for the exact date and time.

TEDDY BEARS IN HOSPITAL
The Prep students and their teddy bears were visited by some medical students from UQ who spoke to them about: dental care, exercise, visiting the doctor and healthy foods.

Robbie the Bear joined them and you will all be glad to know that his heart is good and so are his teeth.

Chaplain News

WELCOME
Robertson State School would like to welcome Mr Ben Chapman as our new Chaplain.

Ben will be here every Wednesday and Thursday and is looking forward to meeting everyone.
You Can Do it!

This term our new foundation is Persistence. Persistence means that we always keep trying no matter how hard or frustrating something becomes. It means NOT giving up no matter what!

The Foundation of Persistence

Student Goals: to try hard and not give up easily when doing school work I find frustrating and do not feel like doing; to keep trying to complete an assignment rather than becoming distracted; to choose to play after I have done my work; when having a lot of work to do in different subjects, do not give up but make the additional effort required to complete it.

Persistent Behaviour

- Trying and completing work found to be “boring.”
- Listening when tired.
- Staying on task.
- Completing the assignment in the time allocated.
- Keeping track of progress on accomplishing different steps of doing an assignment as outlined by the teacher on the board.
- Staying up-to-date on writing in a journal.
- Coming in and asking for extra help.
- Completing homework on time.
- Asking necessary questions.
- Not being distracted by classmates.
- Redoing something until it is correct.
- Locating key concepts on the written page.
- Finishing work instead of playing.
- Asking for help rather than giving up.
- Editing/checking completed work for mistakes.

Are you a parent of a child with type 1 diabetes?

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P- Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study. Contact Amy Mitchell on (07) 3346 1202 or email diabetes.healthyliving@uq.edu.au, or visit https://exp.psy.uq.edu.au/t1diabetes for more information.
