Principal’s Update  
*By Margaret Berry*

**WONDER PERFORMANCE AT REGIONAL SWIMMING**  
Congratulations to our Regional swim team for outstanding performances and results, with Lilli and Jorja making the State trials. The best ever performance for swimming from Robertson State School! (more details next week).

**STRATEGIC PLAN 2016 - 2019**  
The Strategic Plan 2016 - 2019 will be published on the school website. This plan has been formulated over two years after extensive consultation across the school community. The Strategic Plan informs our yearly Annual Implementation Plan.

**THE ANNUAL IMPLEMENTATION PLAN 2016**  
Three school improvement areas have been indentified in the Annual Implementation Plan for 2016.

- Improving teacher pedagogy (teaching)
- Literacy - Reading and Writing
- Digital Futures

Greater emphasis will be placed on improving these areas of teacher practice and student learning throughout the year.

**INVESTING FOR SUCCESS**  
The school has been allocated funding $384883 (formerly called Great Results Guarantee) for 2016. The Annual Implementation Plan, particularly the school improvement areas informs how these funds will be spent. A summary of spending allocations will also be published on the school website.

**WELCOME TO NEW PARENTS**  
It was delightful to see a group of our new parents join the staff members and the P&C for a welcome to Robertson. Parents from Singapore, China, Malaysia, India and Australia were represented in the group. Robertson is renown for the multi-cultural nature of its school community and we continue to be enriched by parents and children from different countries. We encourage all new parents to be involved in our school.

**SAVE THE DATE P&C AGM**  
**Tuesday 8 March**  
Gentle reminder to save the date for the P&C AGM followed by a general meeting at 7:00 pm in the
Boardroom at the Activities Centre.

IMPROVING READING

To improve a student’s reading abilities a balanced approach to literacy development is essential. This aligns with the school’s strategic agenda in the areas of reading and writing.

The pyramid below provides a visual representation on how we have begun laying the foundations for literacy development within our school.

Robertson context:

Classroom Organisation and Time Management
- Strategically timetabled literacy blocks in the junior and senior school for the explicit teaching of reading.
- Scheduled additional support in the literacy blocks with teacher aides engaged with students to improve areas of reading development.
- Establishing reading procedures within the literacy block through flexible reading groups.

Assessment for Instruction
- Utilise reading assessments and data from the PM/PROBE reading records from Year 1 - 6 and Early Start and Oral Language screeners in Prep.
- Differentiated reading instruction from the classroom, EAL/D, Learning Support and Special Education teacher supporting all students.
- ‘Putting Faces on the Data’ - from Prep to Year 6 for all members of staff who need to know who our students are and how we are best meeting their needs.

Motivation for Literacy
- Providing activities within the literacy blocks to promote the enjoyment of books or digital texts and appreciation for the usefulness of reading.
- Community involvement in development of reading through parent reading information sessions, staff professional developments and employment of master teachers to support in a coaching role within classrooms.

In the last five weeks the staff have worked with their classes to position the foundations of our balanced literacy approach.

I look forward to sharing in subsequent newsletters the school based initiatives being implemented to such as the synthetic phonics, oral language, sight words and much more.

HIGH SCHOOL VISITS

Last Friday the Year 6 students were visited by a number of our local high schools and spoken to about what to expect at high school, the way things function, and the subjects and activities they will be able to participate in.

Even if the schools that visited are not the one your child is attending next year, it is a great way for the year 6 students to develop in their mind a clearer view of what next year will look like.

Thank you to the parents who attended. I hope that you found it informative. If you have not made any decisions as yet about the high school your Year 6 student will attend in 2017, my suggestion is that you go to the school’s website or contact their office to find out the date of their open day and visit the school then. This will give you a feel for the school and what it has to offer.

**Upcoming Events**

- Lunch time sessions to prepare students for the *Queensland da Vinci Decathlon* will be commencing shortly.

- STEM High Achievers Program nominations have been considered. Letters have been sent home to the three students who have been successful in gaining a position on the team.
App of the Week - Book Creator

Book Creator for iPad is an amazingly easy to use digital book-making tool. Children can use this technology tool to produce and publish their own simple books or comics with images, videos, and audio. Readers can access published books via iBooks or other online sources, or books can be printed on paper.

Classrooms

Our app of the week has been used in many different ways in our classrooms. One of our multi-age classes created comics to display their understanding and use of quotation marks. The students very enthusiastically produced their own comic and displayed a very high level of skills in the use of quotation marks using this innovative media tool.

Tim Colston & Jennifer Johnson
G&T Coordinators

Early next week students will be asked to register their interest in joining these clubs. These clubs will take place on different days and students will need to be able to commit to regular attendance. Please talk with your children about whether they are interested in joining.

Principal's Update 校長通訊

2019年的發展計畫將公佈於學校網站上，這項計畫已經規劃了兩年，並指導著我們每年的年度實施規劃。

THE ANNUAL IMPLEMENTATION PLAN 2016  2016年年度實施計劃

2016年年度實施計劃中確定了三個發展方向：提高師資教學；文學能力——閱讀與寫作；科技運用。其中著重強調教師的專業水平提高以及學生的學習成長。

INVESTING FOR SUCCESS 成功的投資

2016年學校獲得撥款用於學校發展（之前叫做“成功保障”），年度實施計畫將規劃資金的使用方向。具體的資金分配狀況將公佈於學校網站上。

WELCOME TO NEW PARENTS 歡迎新家長

很高興看見很多新家長加入了家長會成為家長會的一員。Robertston的家長來自新加坡、中國、馬來西亞、印度和其他國家。多文化社區是我們學校的特色，很高興越來越多來自不同文化背景和國家的家長和學生們加入我們。同時希望更多新家長加入家長會，請注意，3月8日星期二將舉辦家長會年會，時間：7pm，地點：活動中心會議室。

IMPROVING READING 提高閱讀能力

為了提高學生的閱讀能力，全面的文學水平提高非常重要，這也與學校的發展規劃中寫作與閱讀提高方面緊密相關。

英文版通訊中附有金字塔圖，展示了為了提高閱讀理解能力有哪些基礎工作需要做。

學校措施：

教室規劃與時間管理

- 合理安排高年級和低年級的文學學習時間
- 更多的文學學習幫助，如助教老師
- 制定學習規劃，建立自由閱讀小組

測試與指導

- 使用閱讀記錄的測試與數據（1-6年級），以及初級閱讀&口語的測試與數據（學前班學生）
- 課堂、EAL/D和學習支持部門提供分級閱讀指導
- 關注數據，所有的教職工都應瞭解學生的狀況，以及如何滿足他們的需求。

文學學習動力

- 在文學學習時間提供相應活動，挖掘閱讀的樂趣
- 家長信息分享會議鼓勵社區成員參與到文學發展計畫中，同時，高級教師也在指導著教師的職業發展。

在之前五周中，課堂上實踐了全面提高文學能力的措施，在接下來的新聞通訊中，我將會和大家分享具體的實踐內容。
