What a beautiful day it turned out to be for the cross country on Tuesday 24 March. Congratulations to the winning House Duncan and the age champions (list published within the newsletter). Congratulations also to Mr Rostron, PE teacher, for outstanding organisation in only his second week at Robertson. It was exciting to see all students strive to complete the course to receive a point for their House and also to see all the parents who came to support them.

P&C MOVIE NIGHT SATURDAY 28 March - 5.00 pm
Our rescheduled ‘Welcome Movie Night’ is happening this weekend with a 5:00 pm arrival and the movie to start at 6:00 – 6:15 pm. We are hoping the weather will be fine but if not we will relocate to the hall. The movie is The LEGO Movie. Families will need to bring a rug to sit on the edge of the oval. This is a great family evening so do not miss out.

IMPROVING READING
Yesterday I had the pleasure of sitting with the Year 5 team of teachers as they worked with the Master Teacher, Tracey Leong, to review the students’ Reading levels. They also discussed how they are adjusting their teaching in guided reading to respond to the Reading targets they have set for each student. Year 5 teachers agreed that they are getting to know in more detail exactly where the student’s individual needs are in reading and they are responding with more individualised teaching.
During the coming week all teachers in year level groups will be undertaking this review and target setting in Reading as well as planning next term’s curriculum.
Parents please talk with your teacher at parent teacher interviews next week about your children Reading. Particularly what levels they have currently attained and how you can assist in the home/school partnership with improving their Reading.

PARENT/TEACHER INTERVIEWS REMINDER
All teachers will be meeting with parents who have booked interviews next Wednesday after school. A reminder that interviews will be in the teacher’s classroom.

### LOTE News

**Ni Hao! 你好**

The LOTE extension program has been very successful this term. The students who participated in the program were very keen to learn and excelled themselves to have better speaking and reading knowledge and skills in Chinese (Mandarin). Thank you for all your support and the program will resume next term. See you there.

Students will experience different intercultural activities in the last two weeks this term. The junior students will play the Chinese traditional toy called “dragon-fly” which is made from bamboo or plastic. Students need to rub the stick (dragon fly) and push it forward to fly high or/and far. The senior students will play the Chinese yoyo (also called diabolo) and spinning top to have fun in learning LOTE.

### Gifted News

**2015 QAGTC Conference**

Eight teachers and administration staff attended this conference from 19 – 21 March. We have walked away with a myriad of new research and practical ideas about teaching gifted children. In coming...
newsletters we will share information about some of the presentations with you.

**Future Problem Solving**
This week was the last week for Term 1. This is due to Parent Teacher Interviews next Wednesday. We are thrilled to have 30 plus children participating in the Early Division Years 1-4, and 17 in the Junior Division. All children participating should have brought home a letter and a contract following yesterday’s FPS session. Please email Annette or myself if you did not receive this. FPS will commence again straight after the Easter Vacation, Wednesday 22 April.

**G.A.T.E.WAYS Workshops** These workshops for gifted and talented children cover many different subject areas. Parents who are interested can read about the workshops and programs on offer at http://www.gateways.edu.au. This isn’t a school-based activity and parents are responsible for entering their children and transporting them to the workshops.

Heidi Isaksen and Annette Ries - Gifted Education Coordinators

**Religious Education**
On the recent statements sent home all students from year 1 to year 6 were invoiced for RE books. Unfortunately the way our finance system is set up we are unable to remove students who are not participating in R.E
If your child is not participating in R.E do not pay this amount and we will cancel the invoice in Term 3. The school apologises for any inconvenience this may have caused.

**Library News**

**NAPLAN PARENT INFORMATION SESSION**
During the parent teacher interviews next Wednesday evening, we are offering a parent information session around NAPLAN testing. This will look at how the testing days are structured, information and examples showing the preparation techniques teachers are using with students ahead of the testing, and suggestions for parents on how to assist students to prepare for the tests, while minimising stress for the children. The session will be run by Head of Curriculum, Ms Cathy Coleman, and Teacher Librarian, Ms Claire Ennis, in the library. The information will be repeated three times to enable parents to attend in between their scheduled interviews. All parents are welcome to join us at either 4:00pm, 5:00pm or 7:00pm.

**LIBRARY BORROWING**
All library borrowing for Term 1 has now ceased. Items on loan need to be returned to the library prior to the holidays. Could you please assist students with bringing their loans in by early in week 10.

Happy Reading,
Ms Ennis
Teacher Librarian

**PE News**
Robertson inter school Cross Country, what a wonderful day. It was great to see students trying their best for their house. In what ended up being a close battle, Duncan house certainly upheld our school motto “Achievement through effort” and deserved to win the shield. Thankyou to students for their effort, thankyou to parent helpers before and during the day and thankyou to Robertson staff in making the day so successful.

Chris Rostron
PE Teacher

**Brisbane Lions Cup**
Every year the Brisbane Lions AFL team host the Brisbane Lions Cup tournament. Once again, Robertson sent a team of fifteen year 5 and 6 boys to compete in a fierce and physical competition. There was a total of 12 schools in the competition and I am proud to say that we finished fourth! They played a total of 6 games and won four of them. The four games that we were victorious in were convincing wins, while the two defeats could have gone either way and were absolutely nail-biting games!

This a huge achievement from the team as some of the year 5 students played their first competitive matches ever. The team trained their way into fourth place by sacrificing lunch breaks every day for two weeks. The improvement in ability over that time was quite remarkable and we will be back next year bigger and better. We also owe a huge thankyou to the parents that offered oranges, sunscreen and transport to the team, we could not have done it without you!

ST PATRICK’S DAY

Saint Patrick’s Day, or the Feast of Saint Patrick is a cultural and religious celebration held on 17 March, the foremost patron saint of Ireland.

Saint Patrick’s Day was made an official Christian feast day in the early 17th century and is observed by the Catholic Church, the Anglican Communion, the Eastern Orthodox Church, and Lutheran Church. The day commemorates Saint Patrick and the arrival of Christianity in Ireland and celebrates the heritage and culture of the Irish in general. Celebrations generally involve public parades and festivals, and the wearing of green attire or shamrocks.

Last Tuesday saw celebrations for St. Patrick’s Day in our school and Year 2L with Miss Linde showed how much fun the children were having with some of the games they played.

The students were all involved in taking turns at playing games such as Shamrock Bingo, Guess the green Paperclips in the jar and the 4 leaf clover message.

The Clover Message game was a thrill for the students as they were asked to write something nice about someone else in the class and then the cards were given out so each child got their own special message. What a great way to show how special each person is.

HARMONY DAY

Harmony Day is held on 21 March in Australia. Harmony Day is intended to show cohesion and inclusion in Australia and promote a tolerant and culturally diverse society. It’s a day of cultural respect for everyone who calls Australia Home – from our traditional owners to those who’ve come from many countries around the world.

Harmony Day began in 1999, coinciding with the United Nations International Day for the Elimination of Racial Discrimination and each year, it is marked by people coming together and participating in local activities. The continuing message of Harmony Day is ‘Everyone Belongs’. It is about community participation, inclusiveness, celebrating diversity, respect and a sense of belonging for everyone.

As Harmony Day fell on a Saturday this year, the school had its own celebrations this past Monday 23 March at assembly and it was a great turn out with many students coming in their own cultural dress. Well done students and their families for coming together and participating in this wonderful celebration of belonging.
