Principal’s Update

By Margaret Berry

CONGRATULATIONS TO OUR FIRST EVER ROBOTICS TEAM

Well done to the Robotics team trained by Mr Grant who did us proud at the Lego League Robotics competition. See details in ICT news.

RAISING AWARENESS ABOUT DOMESTIC VIOLENCE

Yesterday across the State we were encouraged to wear white ribbons to raise awareness of domestic violence and effects it is having on families. It is important in our school community that we do speak out about domestic violence and provide support for those experiencing this kind of abuse. The Department of Education and Training has provided resources to enhance safety measures within the school working environments and I encourage you to read this report Not Now, Not Ever: Putting an End to Domestic and Family Violence in Queensland https://www.qld.gov.au/community/getting-support-health-social-issue/dfv-read-report-recommendation/index.html

BYOD iPAD CLASSES 2016

Over the next three days parents who submitted an Expression of Interest for the BYOD iPAD classes will be sent a letter advising if their child is in an iPAD class for 2016.

Mr Grant, ICT Coordinator, will be running a parent information evening for all those parents who have children bringing iPADs next week on Thursday 3 December at 6:00 pm in the music room. On the Robertson State School webpage there is more information about the iPAD class and I encourage parents to read this information https://robertsonss.eq.edu.au/Curriculum/Subjectsandprograms/Pages/BYO-iPad-Program.aspx

Teachers who are taking the iPAD classes have been receiving professional development throughout the term by visiting other schools where programs are in place and working with their iPads in the selection of educational apps to enhance teaching of the year level curriculum in 2016.

The ICT Coordinator, Andrew Grant, is managing this innovation for the school with great success and I would like to recognise and thank Andrew for his leadership with this project.

PARENT REPRESENTATIVE ON SCHOOL COUNCIL

We are seeking three parent representatives for the School Council. With such a rich set of skills in our parent community, we value the opinions and networking that parents in various professions and businesses bring to this group. All you need is the ability to look to the future about the needs of our students in the their ‘holistic’ development in preparation to be contributing citizens. The commitment is one evening meeting per term and attendance at some official functions. Parent reps for the School Council will be voted in at the P&C AGM in March 2016. Please fill in the application attached if you are interested and hand it in at the school office. The closing date for this application is Monday 7 December.

PRIDE IN SCHOOL UNIFORM

At the end of the year students and parents can sometimes relax with requirement of uniform. Gold or silver sleepers and studs and a watch are the only jewellery for students to wear. Hats are a most important part of the uniform, especially in the hot weather. Please see the uniform advice attached which will be sent to parents if students are out of uniform and I encourage all families to support pride in the wearing of uniform until the last day of term.

Please ensure that your child has a shirt to wear over their swim suit for protection and also wear lots of sunscreen as it gets very warm especially in the middle of the day.

Feedback from the children has been that they are really enjoying being in the water especially on the very hot days.

**PE News**

One of the largest school sporting events in Australia was held in Adelaide this week. It was the Pacific School Games where students from all states and territories of Australia and at least 12 other nations gather to compete across nine different sports. Robertson State School is proud to announce that Ngawaero (Jorja) from 5H was there representing Queensland. Ngawaero (Jorja) won a gold medal in the 4x50m medley relay and a bronze medal in the
4x100m freestyle relay. What makes this even more outstanding, is Ngawaero’s (Jorja) gold medal effort has broken a 27year old record for this event.

Well done and congratulations.

Gifted News

GIFTED DIFFERENTIATION PROJECT
As part of a small group of regional schools, Robertson has been invited to partner with Regional Support via a Differentiation Project. We have taken up this opportunity, to further strengthen the school’s current expertise in responding to the instructional needs of our gifted students. RSS Gifted
Coordinators, Tim Colston and Zoe Grafton, have commenced initial planning this term, in preparation for targeted work early in Term 1, 2016. Valuable discussions have already taken place with Elizabeth Bullock, Regional Gifted Advisor, around streamlining our processes in identification and tracking of our gifted students.

CONGRATULATIONS IAN, ZHEXI AND JADON!!
The team of boys involved in The Quest competition have placed first overall in the State Final among almost a hundred schools who enrolled. Their journey of learning will continue, and a new Challenge awaits them. They have qualified for the International Final to be held at Griffith University next Wednesday 2 December. The International Challenge will provide the students with a new opportunity to apply and manipulate their learning, to produce work at the highest level. A huge congratulations to all the students involved, including Rory who helped the team in prelimanry’s. Well done Ian, Zhexi, Jadon and Rory.

Zoe Grafton & Tim Colston
Gifted and Talented Coordinators

Robotics Club

Last weekend, a group of 7 students competed at the First Lego League robotics competition at QUT Gardens Point. While the boys didn’t win a trophy, they tried their best and worked well as a team. Well done boys, you did Robertson SS proud. Please remember that the robotics club is still collecting old mobile phones that are no longer being used. These phones will be refurbished or recycled safely. Please place any unused or unwanted mobile phones in the recycling box in the office.

Mr Andrew Grant | Robotics Coordinator

ICT News

Parents, did you know that all state school students from Prep to Year 12 can download multiple free copies of the Microsoft Office 2013 Suite to their personal home and mobile computer equipment. Students who want the free software will need an active Managed Internet Service (MIS) login, school email account and password - those who don’t have these details should contact their class teacher. Currently, MS Office Suite 2013 is available for students’ personal equipment only - not equipment which is part of a school network. Please click here for more details and instructions
