TEA AND TISSUES ON FIRST DAY OF SCHOOL

Principal's Update

By Margaret Berry

WELCOME

Welcome to 2016. A very big welcome to any new students and their families. Prep students have settled in and look superb in their new uniforms. Returning students have quickly navigated the school routine and learning is underway. It was delightful to see our Prep parents at the 'tea and tissues' after they dropped off their new Preps for the day.

2016, the *Year of the Monkey* in the Chinese Calendar, hopefully will promote some smart and inquisitive although sometimes mischievous learners.

WELCOME TO NEW STAFF

Jennifer Johnson

Jennifer Johnson is an additional Master Teacher we have acquired for this year. She comes to us from Stretton State College where she was a passionate classroom teacher and acting HOD.

Jennifer loves teaching students of all ages to improve their writing and reading skills. This year she will work with teachers and students to improve the reading levels of students in the upper grades. Additionally, she will assist

with co-ordination of the very successful Gifted Education Program we have here at Robertson. Jennifer is excited to be at our school and is really looking forward to the challenges and celebrations that 2016 will bring.

Shane Galbraith

Shane Galbraith has come to us from Yugumbir State School and started his teaching career 16 years ago. Shane is a Year 1 teacher this year at Robertson. He believes in promoting a love of learning by

believing in yourself and always doing your best. Welcome to Robertson State School Jennifer and Shane.

FOCUS FOR 2016 - INSPIRING TEACHERS INSPIRING STUDENTS

The focus for this year is *Inspiring Teachers Inspiring Students*. Last year we saw the greatest improvement in students below benchmarks reaching benchmarks for Reading and Writing and this year we want to move all students, especially those in the middle bands (Cs and Bs) to achieve significant gains in Reading and Writing. A second Master Teacher, Ms Jennifer Johnson, has been employed to assist teachers in achieving this goal. Deputy Principal, Ms Cartia Balladone is

leading the whole of school reading and Deputy Principal, Mrs Lesley Boshammer, is leading whole of school writing. Teachers will also be refining their teaching skills through the Marzano Mentoring program led by Head of Curriculum, Ms Cathy Coleman.

NEW PARENTS – JOIN THE ROBERTSON COMMUNITY

The P&C hold meetings on the second Tuesday of each month. For new parents this is where you can meet other parents and join with the Robertson school community.

Other ways that you can get to know staff and other parents is by becoming a parent rep for your class or volunteering in the classroom. Please phone the school office if you are interested in helping out.

WELCOME BACK

Welcome all to 2016. I look forward to working with the entire school community and in my new role with the Prep to Year 3 students, parents and teachers.

Our newest members to the Robertson learning community, Prep, made a wonderful transition to primary school. They were busy working on their iPads, participating in story time as well as gross and fine motor activities to further their literacy and numeracy skills. The happy smiles at 3:00 pm were a sign of a great day.

We encourage parents to make sure they communicate with all their children on who will be picking them up in the afternoon. If students are in Years 1- 6, discussing and organising a particular place for pick up would be advisable.

Prep students should be picked up from the classroom at 3:00pm.

OUR FIRST DAYS IN PREP

I visited all of the classrooms yesterday morning and it was very pleasing to see how many of the children were happy to be back at school. With this positive attitude, they will surely succeed.

The classes were into work almost immediately and there was much excitement in the BYOD iPad classrooms with the setting up of protocols and processes for the management of the iPads.

We are looking forward to seeing how the students work with this technology.

ICT News

It was "All Systems Go" this morning as over 350 students from P-6 brought their own iPad to school. Along with the almost 60 students involved in the 1:1 laptop program, that is over 400 students bringing a personal device to school every day to enhance their learning. The morning went off without a hitch which a great testament to all our dedicated teachers.

Be on the lookout for an ICT Newsletter coming out later this week with more information, photos from classes and tips and tricks for your iPads.

CHAPLAINCY News

How great it is to be gathered together again to learn and to grow together in 2016. However some of us need a little extra help to deal with the social and emotional challenges of school life. There are just 6 words that I want you to remember:
"YOU CAN CHAT WITH YOUR CHAPPY"

I am at the school on Wednesdays and Thursdays for students and teachers (and sometimes parents if needed). You can find me through the orange door at the end of Teaching Block 2 (that's the special needs area near the library) or you can make an appointment at the office on the days that I am unavailable.
