Principal’s Update

JOGGING CLUB - INCREASING IN NUMBER
Under the great organisation of teacher Katie Harris and team the numbers attending jogging club are increasing. It is fun and a good way to start the day. Parents please join us and your children at 8:30 am – 8:45 am each morning for some jogging and walking around the oval.

EVENING OF EXCELLENCE
11 JUNE 3:30 pm – 6:30 pm
All parents and past P & C Executives are invited to this Celebration of Excellence. Displays will be set up in the hall from 3:30 pm onwards. The program: 3:30 pm – 5:30 pm - viewing of displays 5:30 pm - recognition of the contributions of Annette Ries 5:40 pm - string ensemble performance 5:45 pm - recognition of Ross Harvey, former principal’s contributions and retirement 6:00 pm - choir (current and Alumni) performance. Photos and catching up.

The P & C will be selling Aussie BBQ and drinks for dinner and throughout the afternoon

Please pass on an invitation to any past students, parents and P & C members. Come and celebrate the history of Robertson SS.

SPECIAL MENTION – CROSS COUNTRY RUNNERS
Congratulations to the students who represented the school at Regional cross country. Boston came 16th out of a top field of competitors. Well done!

P & C DAY FRIDAY 29 MAY
This Friday all schools across Queensland will be recognising the work that P & Cs do in assisting with the running of schools. All Robertson P & C members and parent reps are invited to a special morning tea in the teachers common room Admin Block at 10:00 pm Friday.

P & Cs play an integral role in running the school tuckshop, clothing shop and fund raising for facilities, learning resources and equipment.

Thank you to P & C President Glenn Reiger, and his Executive Team and all those P & C members who contribute their time to work for our school.

CERTIFICATE OF APPRECIATION FROM THANGOOL STATE SCHOOL
I have received a Certificate of Appreciation from the principal of Thangool State School for the delivery of library resources donated by our school.

I would like recognise all the work of Librarian, Claire Ennis who organized this collection.

Thank you to all who contributed to helping this school after the recent cyclone and flooding.

JUNIOR ASSEMBLY
Our Junior assembly for the month takes place on Friday commencing at 2:15pm in the top of the Activities Centre.

I was speaking with Robbie the Bear and he told me he has had a wonderful time in PL and is very excited about getting to know another class.

Please join us for this assembly if you are free.

CHORAL FANFARE
Approximately 60 members of the Cantabile Choir will be competing at Choral Fanfare on Friday. This is a state education run program. It is a competition for both choirs and instrumental music groups on alternate years.

We wish the choir good luck. I will give you the outcome next week and hopefully some photos of our wonderful children.

FREE DRESS DAY

On Friday 29 May the school will host its first free dress day. Students who wish to participate are asked to bring a gold coin donation which will support the upcoming Spring Fest. All money will be collected on the day by our parent representatives from the classrooms.

Student’s outfits on the day need to be sun smart (no singlets and short shorts) as well as comfortable clothing to participate in regular classroom routines like PE, Music and Smart Moves lessons. Students must wear closed in shoes as part of the free dress attire.

We thank you for supporting our Spring Fest initiative.

SEMESTER ONE REPORT CARDS
Students and teachers have been working with the Australian Curriculum, as interpreted through Queensland’s C2C curriculum resources.

For Semester One, teachers are evaluating student work based on C2C units and assessments tasks from Term One and Two in English, Maths, Science, Geography and History.

For further information on the Australian Curriculum standards visit the online curriculum at http://www.australiancurriculum.edu.au/

Teachers continue to use the Queensland Essential Learnings and Standards to plan, teach, assess and report on learning areas where the Australian Curriculum is not yet available for implementation.

Over recent years, parents, students and teachers across Queensland have become more familiar with the five point scale (e.g. A-E) process for reporting in all schools.

Semester One report cards will be sent home on Friday 26 June.

GALA DAY
Friday 5 June is a scheduled Gala Day. Year 5 & 6 students will participate in sporting events at school and at various venues in the district.

Students are reminded to wear their sports uniform and bring their hat, a drink bottle and lunch for the day.
**Music News**

- We hosted another fantastic Creative Generations Workshop last Tuesday for 230 primary and secondary choristers who will be taking part in the big event in July. The children learnt another book of repertoire under the directorship of the wonderful conductor, Alison Rogers. The Wannabees from Robertson State School now continue to learn the complete repertoire before the next Combined Workshop at Chandler on Sunday 21 June. More information re this soon.

- Senior Cantabile Choir will be represented by 63 great choristers from the big choir to sing at Choral Fanfare this Friday at Kenmore State High School. Sing well children and do us proud! Choir at normal time tomorrow at 7:30 am.

Eco Kids News

ENERGEX GRANT
The Eco Kids committee have recently received a grant to add to our already thriving community garden. The grant of $2000 which was provided by Energex will be put towards the creation of a teaching space within the garden so that classes may use the gardens as a valuable curriculum tool. The teaching area will also double as a storage/potting area for the Eco Kids volunteers to use throughout the week. If your child has a passion for gardening and would like to participate in our Eco Kids program, activities are held every Tuesday and Wednesday at first break in the community garden.

HISTORICAL GARDEN WALK PLAN
The Robertson Historical Garden walk will be constructed in the corner in front of the tennis courts, facing Musgrave Road. The garden will be built around a large, winding pathway which will feature information about Robertson State School from its beginnings as a farm, to the present day school yard. Surrounding the path will be a collection of native Australian plants which will attract native species of birds and lizards and has the added benefit of being water wise. All of the plants will be supplied by the Brisbane City Council. A copy of the proposed plan will be placed on the bulletin board near the Gazebo for all parents to view and provide feedback.

Gifted News

QAGTC CHILDREN’S CONFERENCE
QAGTC will be hosting its annual Children’s Conference this school holidays. Organisers are currently finalising workshops. Please keep an eye on the QAGTC website for further information and details on how to enrol.

AN EVENING OF EXCELLENCE
Please save the date, Thursday 11 June, to come and view the incredible achievements of our students at Robertson State School across all fields of the curriculum. Displays will be open from 3:30 pm – 5:30 pm. Special guests Mr Ross Harvey and Ms Annette Ries will be honoured from 5:30 pm – 6:30 pm for their contributions to excellence at Robertson State School. The evening finishes with guest speaker, Dr Louise Porter, speaking on ‘Gifted and Behaviour’ at 6:30 pm in the library. To attend Dr Porter’s session, please book at www.qagtc.org.au

Until next time,
Heidi Isaksen (hisak1@eq.edu.au)
Gifted Education Coordinator

We also welcome parents and grandparents to support your children by cheering them along on these days. Some keen parents may also spot a special event during the track day. If you would like to support this event, please get in touch with me.

Many thanks.
Chris Rostron – PE Teacher.

ICAS News

ICAS SCIENCE COMPETITION
The ICAS Science Competition will be conducted next Wednesday 3 June, commencing at 7:45 am sharp. A letter will be going home with each registered students to inform them of the location for each year level test. Students do not need to bring anything with them. All materials will be provided on the morning.

Robotics Club News

Hi Everyone, this week in robotic club students have gotten into groups and have started building their first robots. Some are building robot dogs that bark, sleep on command and eat a bone, others are building gyro boys that balance, turn and move on only 2 wheels. Others are building a machine that sorts blocks by colours. Lots of fun is being had and the kids are even putting in extra lunch times to get their robots made quicker.

Our next step is to program the machines.

Mr Grant
NOTICE REGARDING NATIONAL COLLECTION OF DATA ON SCHOOL STUDENTS WITH A DISABILITY

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. In 2014, two thirds of Queensland schools will participate and all schools will collect data from 2015. Our school will be involved in the nationally consistent collection of data from this year.

Please be assured information that can identify an individual student will NOT be included within this collection. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you DO NOT wish for your child’s details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me.

Chaplain News

WHAT DOES THE CHAPLAIN ACTUALLY DO?

People often ask me, what does a chaplain do? They may meet me while I’m running the breakfast club program, or see me talking to students during the lunch break, and they wonder what else I’m involved in.

The chaplaincy purpose statement is, “to provide social, emotional and spiritual support to school communities.”

In practical terms, chaplains provide a listening ear, an encouraging voice, and a caring presence at the school. I like to tell students to think of me as being a lot like a dog:
- big ears to listen to their stories
- a tongue, not for licking (yuck), but for speaking encouragement into their hearts
- legs for walking beside them as they journey through this part of their life
- For more info visit suqld.org.au/chaplaincy

Students, if you would like to have a chat with your chappy, you can find me on Wednesdays and Thursdays near the library at the end of Teaching Block 2 (but make sure you tell your teacher first).

HOT CHOCOLATE IS COMING BACK!
The weather is cooling down and so it’s time to bring back the hot chocolate.

The tuckshop will be selling hot chocolate starting from Tuesday 9 June and through to early spring. We will keep you updated on pricing and it will be available both online for ordering and over the counter. Hot chocolate ordered online will need to be collected at the tuckshop as it cannot be sent in tuckshop boxes to the classroom as it will spill. It is served in a takeaway cup with a lid just like in a coffee shop and is, therefore, very popular with our school community.
You Can Do it!

The Foundation of Persistence

Student Goals: to try hard and not give up easily when doing school work I find frustration and do not feel like doing; to keep trying to complete an assignment rather than becoming distracted; to choose to play after I have done my work; when having a lot of work to do in different subjects, do not give up but make the additional effort required to complete it.
