PRINCIPAL’S UPDATE

RECOGNISING TEACHER AIDES
This week we are celebrating the work that teacher aides do in the school. Our teacher aide team is one of the best. The role of the teacher aide is to assist teachers in delivering the differentiated learning required for students. Teacher aides develop special skills as they work in a number of areas, English as an Additional Language (EALD), Disability, Prep and small group withdrawal for intensive literacy and numeracy tutoring. It would be hard to imagine how the school would function without teacher aides. A very big thank you to all teacher aides for their work.

SCHOOL REVIEW (SCHOOL IMPROVEMENT UNIT REPORT)
We have received the results of the School Review. The Executive Summary has been published on the website. There is much to be proud of in our School Review. The following areas are those to work on over next four years and will form the basis of our Strategic Plan.

 Further narrow and sharpen school improvement agenda in reading and writing and establish clear targets and timelines linked to student improvement.
 Ensure that this agenda is widely understood and communicated to all staff.
 Continue to develop the school’s reading program that aligns to the school’s current practices and clearly outlines the methods to teach reading within the school.
 Implement a coaching and feedback program to develop consistency and accountability for the implementation of school-wide programs and the pedagogical framework.
 Develop the establishment of individual learning goals and success criteria for students.
 Investigate the collaborative development of a whole school curriculum plan.
 Continue to strengthen the relationship with local high schools.

The full School Review Report will be shared at the next P&C meeting.

Thank you to Mr Rostron for all of his organisation for the day, the teachers for their running of the activities and all of the parents who came up to cheer their children on and support them in the activities.

BOOK WEEK PARADE
Friday afternoon was full of fun and laughter with the Book Week parade for Prep to Year 4.

The students and staff dressed up as their favourite book character for this special event.

A big thank you to Mrs Ennis for all her hard work in organising this big week of activity.

LOTE News

**Ni Hǎo!** 你好

Father’s Day allows children to show their love and affection for the father. Every country celebrates Father’s Day; but the dates for the celebration differ. A majority of countries like France, Japan and United States celebrate it on the third Sunday of June every year. China celebrates the Father’s Day on Third Sunday of June every year, but on August 8 every year in Taiwan. Father’s Day is not an official holiday in China or Taiwan. People often take their father out for dinner, give gifts, or at least call them to give them a greeting. (Baba Jie means 八八节 or 爸爸节: ’August 8th Day’ or ‘Fathers’ Day’.)

The LOTE extension program finished last week. I would like to say “thank you” to teachers, parents and students for your support and participation. See you next term.

**Today’s sentences:**
- Happy Father’s Day!
- I love you, Dad.我爱你，爸爸。
- Dad, thank you for everything.爸爸，谢谢您为我做的一切。

**JUNIOR SPORTS DAY**
Last week saw children in the lower school compete in the Junior Sports Day, and after worrying about what the weather might do, we managed to have a fantastic day.
The focus of the day was about the children participating in sporting activities. The day started with year level sprints before moving onto rotational activities after the break. Seeing the children compete and stretching out to do better brought a smile to my face.
The fantastic behaviour of the children during the sprints and the rotation activities is something I am sure that was noticed not just by me but by the teachers and many visitors that were in the school for the day.

To the parents, grandparents and carers who were able to come and be part of the special day thank you for the support you provided to all competitors.

After our lunch break the children split into separate year levels to participate in ball games, relays, throwing activities and jumping events. As I moved around the oval area I saw all the children trying really hard in each different activity and in many cases exceeding my expectations of what they were able to do.

The Preps also competed in a similar rotation of events. The only difference being the jumping events for the Preps was in the style of a Jumping and Agility obstacle course.

Each Prep class was supported through the obstacle courses by their Year 6 Buddy class.

A big thank you to the Year 6 students and teachers for giving up your time to come down and support the Preps.
The only spoiler of the day was the rain after the second break. This meant that students had an abbreviated final rotation and may not have had an opportunity to complete the planned number of games/jumps/throws. I have to say that even with the rain the day was a success.

There are many people in the background that are all contributing to the success of our day. I would like to thank Mr W for the setting up of tents and preparation of the oval and the packing away of all the equipment. The teachers and teacher aides for helping to guide the students during the activities and to and from activities. Also a big thank you to the Year 6 Sports Captains for helping to set equipment up, marshalling students to the right area and assisting the teachers during the rotation events.

Thank you also to the parents who were able to help me during the rain to get our equipment packed up at the end of the day.

**Does your child identify with a particular culture?** (including Aboriginal Australian and Australian cultures).
Interested students are invited to join in a wonderful, colourful ‘Parade of Cultures’ at the opening of the fete (11 September at 3:30 pm). It would be great to have as many students as possible join in wearing traditional clothes from their/their parents’ cultures if they have them. **Students are welcome to join in even if they don’t have a costume.** I need a list of students participating so we can organize flags.

Please email to sign up. The first two names received from each cultural group will hold their country’s flag or country’s name.

USING ONLINE ORDERING IS EASY
I have recently found that some parents are not aware of how to use flexischools and how to add or remove ingredients on salads and sandwiches. If you are having any problems please contact the Flexischools Helpdesk on 1300 361 769. They will be able to talk you through the steps while you are online ordering. Please note that, at times, some items are unavailable for a day or two due to either supply issues or, unfortunately, a lack of volunteers to prepare items on any day.

VOLUNTEERS
With the above mentioned in mind, if you have any free time between 9:00 am and 11:00 am any day between Tuesday and Friday please let me know by contacting the tuckshop on 3452 4111 or please come and see me once you have dropped off your child in the morning at 9am. We are in need of regular volunteers especially on Wednesdays and Fridays.

STOCKTAKE
As we come closer to the end of term we will be running down our stock and usually in week 9 and 10 some items sell out and will not be reordered until the new term. We apologise for any inconvenience.

You Can Do it!
Getting Along

Getting Along means working well with my classmates, solving problems with my classmates without getting angry and following the rules of my class.

When people disagree and start to fight about a problem, they have a conflict. There are two words that can help you remember ways to cooperate and solve conflicts peacefully TALKS and CALM. Last week I shared TALKS with you, this week is about CALM.

CALM DOWN – 4 steps to easing angry feelings

Calm yourself down. There are lots of ways to do this. You might take a deep breath, speak slowly, or soften your voice. You might take time out to do something else, rest, read or jump up and down until you’re tired.

Admit that you have a problem. Look at what happened and what you said or did. “I yelled.” “I said something mean.” “I broke the light.” Don’t run away or ignore it. It’s okay to make mistakes if you learn from them.

Learn to share your feelings with someone. Talk about angry or upset feelings with an adult you trust. You might talk to your mum or dad, your teacher, or another adult you trust. Keep looking until you find someone who will listen and talk to you about how you feel.

Make a change in how you deal with anger. Decide on something safe and healthy to do when you feel angry. It’s not safe or healthy to throw things, yell at people or hit or kick someone. What can you do instead? Deide that next time you’re angry and having a conflict, you’ll count to ten backwards before you speak, think of something nice to say, or walk away until you feel better.

DO YOU HAVE A CHILD WITH A CHRONIC ILLNESS? HOW ARE THEIR BROTHERS AND SISTERS GOING?

Researchers from the University of Queensland are seeking parents with at least one child with any chronic illness (for example; Asthma, Diabetes, Eczema, Epilepsy, and Cystic Fibrosis) and at least one well child (without any chronic illnesses, aged 6 – 12 years). The researcher will be conducting home visits and performing interviews with one parent and one sibling of the child who has the chronic illness. Total duration will be less than 60 minutes. Topics of discussion will be based around the impact of the chronic illness on the well children within the family home. The findings of this study will help inform future parenting interventions for children and siblings living within a home with chronic illness. Participants will go into a draw for a chance to win one of two $50 Coles Group and Myer gift cards. LOTE News 中文科通訊(by Ms Hsieh)

- 父親節給孩子一個機會去表達對父親的愛。每個國家都慶祝父親節，但是慶祝的日期有所不同，像法國、日本、美國等於六月的第三個星期天慶祝，中國大陸也於這天慶祝。台灣的父親節為8月8日。在中國和台灣，父親節不是法定的假日，人們通常同父親一起外出用餐，送父親禮物，或至少打一通電話問候。

- 中文課與上週結束，我相對所有的老師、家長還有同學說聲謝謝，來感謝大家的支持與參與，下學期再見！

PE News 體育部通訊(by Mr Rostron)

JUNIOR SPORTS DAY 低年級運動會

上個星期我們舉辦了低年級運動會，運動會從賽跑開始，休息之後進行了接力項目。學生們優秀的表現大家有目共睹，也同時感謝前來加油幫助的家長們。午餐之後，學生們根據年級分組參加投擲, 跳躍等活動，大家在各個項目中都使盡全力，學前班學生也參加了類似的體育項目，唯一不同的是學前班學生在六年級夥伴班級的幫助下參加的是障礙跳躍。非常感謝六年級同學以及老師對小班同學的幫助。可惜的是第二個午休時下雨了，運動會最後倉結束，但是我認為，儘管最後下雨了，這仍然是一場成功的運動會！感謝Mr W設置帳篷和其他設施，還有老師和助教們在活動場提供幫助，特別是六年級的體育老師參與設置設施，集結運動員及協助教師的工作，同時感謝最後幫助我們收拾場地的家長們。比賽結果報名單可見英文版通訊。

HOW ARE THEIR BROTHERS AND SISTERS GOING? 你的孩子有慢性病嗎？他的兄弟姐妹呢？
昆士蘭大學的研究學者尋找至少一位有慢性病的孩子（如哮喘、糖尿病、濕疹、癲癇、囊性纖維化等）和至少一位健康的孩子（沒有任何慢性疾病，6-12 歲之間）。研究學者會進行家訪，對一位家長和一位有慢性疾病孩子的兄弟姐妹進行訪問。整個過程不超過一小時，討論話題圍繞慢性疾病對家庭中健康兒童的影響，研究的結果將幫助未來家長如何調節疾病兒童、健康兒童在同一個家庭裏會產生的問題。參加研究的家庭會有機會獲得一兩張 $50 Coles Group 和 Myer 的購物卡，更多信息請洽 Kathryn Hales，0487 642 566 或 kathryn.hales@uqconnect.edu.au。
