Principal’s Update

100 YEAR ANZAC COMMEMORATION SERVICES
Robertson students were represented in four major events to celebrate the 100 year ANZAC Commemoration.

Over 60 students attended the Sunnybank ANZAC march on Saturday 25 April, student leaders attended the ANZAC service in the city, the choir sang at the Brooklands Village 100 Year Commemoration and the participation of all students occurred in the school ANZAC services. The Robertson community can be proud of community participation in recognition of those who have served and died for our country.

CROSS COUNTRY SUCCESS
Congratulations to the District Cross Country team which came second in the District carnival. Robertson now competes in the “A” division against much larger schools. Student team work was the most outstanding feature of the day.

P & C NETWORKING BUSINESS BREAKFAST
The Brisbane City Council Strategic Planning Unit presented an interesting summary of town planning statistics for the Robertson suburb and surrounds at the Business Breakfast on Wednesday 29 April. Over 20 local businesses were represented and the school ICT coordinator, Andrew Grant shared a design concept for a school technology centre.

Local Councillor, Mr Steven Huang assisted with networking for the event and Mrs Mel Kennedy, Marketing and Communications Manager organised the event and launched the 2015 school sponsorship brochure. The breakfast was very well received by all who attended.

Special thanks to Mrs Kennedy for her work.

ST HELENA ISLAND
The Year 5 students visited St Helena Island, Queensland’s most historic island. The students were guided on a tour of the National Park by members of the St Helena Theatre Troupe. For 60 years the island was home to hundreds of convicts.

Students were able to take the knowledge from their history unit and visualise the rich history and fascinating past.

ANZAC COMMEMORATION
The school leaders represented Robertson State School at the 2015 ANZAC Commemoration Ceremony for students at ANZAC Square in Brisbane.

Our leaders participated in the ceremony and laid wreaths around the eternal flame. They were also featured in the Courier Mail (28 April Edition). On Monday the 27 April the school leaders drew inspiration from their visit to the city and lead the school ANZAC Ceremony with pride and honour.

TUCKSHOP ORDERING
Our Flexischools site allows parents the flexibility to order a full day’s food for their child by allowing them to input lunch orders for both 1st and 2nd break.

First break orders will be sent to the classroom / eating area; however, treats such as ice cream, iceblocks, slushies and licorice are only available from 11:15 am after the children have eaten their main lunch items. If you have ordered any treats for the 1st break period please be sure to let your child know that they will have to pick it up and that it cannot be sent to the classroom.

Second break orders must be collected from the tuckshop as boxes are not sent during this break time. Again, if you have ordered your child’s lunch for 2nd break please make sure that they know that they need to collect it as we have a growing number of children not collecting it on time hence compromising the quality of the food by the time it is picked up after the break.

MONEY AT THE TUCKSHOP
Please do not send your child to school with more money than they need. A maximum of $10.00 should be enough for over the counter purchases. The tuckshop does not carry much change as we are predominantly online. We have recently had a couple of cases of children bringing a $50.00 note to the tuckshop which is very unusual. Parents will be contacted when children bring large sums of money to school.. Please only send an appropriate amount of money with your child.

We have had a growing amount of foreign coins being passed over the counter at the tuckshop. Unfortunately, these cannot be banked and we cannot accept them. Please check that the coins you send are not foreign to avoid your child being disappointed when they are refused.

VOLUNTEERS
The tuckshop is in need of regular volunteers on Tuesdays and Wednesdays between 9:00 am and 11:00 am. If you could spare some time either weekly or fortnightly please contact the tuckshop on 3452 4111.
Get your tools out and build your very own castle or dolls house! A fantastic opportunity for all the children at Narangba Valley.

Over the 5 week program the children will make their very own castle/dolls house using real wood sections and real tools and equipment!

Piece together the walls, the roof and the inside rooms and fix it together using screws and hinges. The door will open to reveal the inside of your building!

The children will then paint and decorate their castle/dolls house before spending time making the objects to go inside – beds, tables, chairs and people! Take it home and spend hours of fun with your new building.

Please note that no power tools are used in this program.

For more information or to book onto this exciting 5 week program please contact Helping Hands Robertson on 0458 011 412 or email Helping Hands Robertson at robertson@helpinghandsnetwork.com.au

Booking forms will also be available from the school office and Helping Hands Robertson service.
