Principal’s Update

WELCOME TO 2015
A very special welcome to all families to this wonderful year of learning for our children. I would especially like to welcome all of your new prep parents and students and other new parents and students across each of the year levels.

Robertson is now a P-6 school. Year 7 students have started junior high school so our year 6 students take the important role of student leadership in the school. School Captains, Jason and Chloe and Vice Captains Harry and Harini will lead our assemblies on Monday afternoon.

Best wishes to all our student leaders and new students and their families as they join the Robertson community for 2015.

OUTSTANDING CHESS PERFORMANCE
Congratulations to Jason W who placed 1st in the Australian Junior Chess Championships. Please see details within.

TEACHERS PREPARE FOR THE YEAR WITH PROFESSIONAL DEVELOPMENT IN READING AND WRITING
During 2015 our school goal is once again emphasis is to improve reading and writing for all students.

Last week teachers had three days of professional development with a strong concentration on the development of the literacy block and how we can achieve a 1-2% improvement in reading and writing compared with last year.

To enable expert teaching, we have changed the lunch break times to accommodate uninterrupted and longer literacy blocks. The first break (morning recess) will now be 45 minutes and the second break (lunch recess) 30 minutes.

NEW BELL TIMES
New Bell times will now be as follows:
- 8:45 am - First bell
- 8:50 am - Teaching session 1
- 11:00 am - Morning recess
- 11:15 am - End of eating time
- 11:40 am - Warning bell
- 11:45 am - Teaching session 2
- 1:30 pm - Lunch recess play time
- 1:45 pm - Lunch recess eating time
- 2:00 pm - Teaching session 3
- 3:00 pm - School finishes

STUDENTS BEING AT SCHOOL ON TIME
To begin this year with learning as the highest priority I would ask all parents to have their children at school by 8:45 am. If students are not in the classroom for roll marking students must get a late slip from the office and they miss valuable instruction time. Can parents please make every effort to have students at school on time.

Welcome back to school for 2015. It was so lovely to visit with the children yesterday and hear their stories about the holidays. There were lots of smiles and excited children.

PREPS
Our new preps settled in beautifully and in most cases you would have thought they had been at school for longer than a day. Thank you to the parents who helped to prepare their children for such a successful start to their school career.

2015 DATES AND CALENDAR
2015 looks like being just as busy as our previous years and hopefully just as successful. The parent calendar is underway and you will receive it in the next couple of weeks. Please check the calendar in the weekly newsletter for the most up to date information about school events. The parent calendar is only correct at the time of publication so when dates change we let you know via the newsletter.

PARENT INFORMATION SESSIONS
All year levels will be having parent information sessions in the first 10 days of the term. If you haven’t already received notification of your children’s class meetings, they are on their way. These sessions are to outline the programs and expectations for your child for the year and also a great opportunity to meet the teacher so that you know who is communicating with you.

INSTRUMENT HIRE
For those students who will be hiring instruments this year from the school, invoices will be sent home next week.

Instruments will not be given to the children until full payment has been received.

EMAIL ADDRESSES
At the information sessions, the class teachers will be asking you to check the email address we have for you. It is vital that we have your correct address as this is the major form of communication with families for the school. If for any reason you change your email address, please let the ladies in the office know. They will change the address on the system as well as on the mailing lists.

If you don’t receive any information from the school in the coming weeks, please let your child’s teacher know so that we can check you are on the list.

Have a great week.

A MESSAGE FROM THE MARZANO MENTORING TEAM
Robertson’s Marzano Mentoring Team would like to take this opportunity to introduce ourselves and outline our goals for 2015.

The team consists of Perry Benge (Year 4B teacher), Anthony Gallaher (Year 5 laptop class teacher), Lesley Boshammer (Deputy Principal) and Cathy Coleman (Head of Curriculum). We were very keen to share with staff, our learnings from the Marzano conference, which we attended last year. This commenced with modelling Learning Goals at staff meetings last year and the exploration of the teacher observation tool called iObservation. This lead us to set some very specific whole-school professional goals for all teachers in 2015.

1. To develop a professional mentoring process throughout the school using the Marzano approach.

4. To focus on establishing rules, routines, procedures and behaviour strategies in Term 1.
5. To develop learning goals for English units in Term 2.

We look forward to updating you as we continue on our Marzano learning journey.

P&C UPDATE

Welcome to 2015 everyone! We hope you all had a fantastic holiday break and safe and happy New Year. We’re excited about 2015 and we’re looking forward to working with parents and teachers as we help build a bigger and better school for our children.

A special welcome to all of the new parents with children attending Robertson for the first time. If you’re new to Robertson you may be interested in meeting other parents in the school community. We’ll provide more details about this event in coming weeks so pencil it into your calendar - it’ll be a great night.

JOIN US

Have you considered joining the P&C? Becoming part of the Robertson State School P&C is easy and completely free.
