You may need to purchase a new iPad if:

1. You are not able to update your iPad to the latest iOS (currently 10.3)
2. The battery will not keep a charge for more than 5 hours.
3. The display stops detecting touch and gestures, or if it stops displaying things correctly. A fully working touch sensitive display is required for you to use your iPad.
4. The Home button no longer works

Students are only allowed to bring an Apple iPad. Please note that no Android device will be accepted at school.
