2025 Robertson Poco Voci (Year 3) Choir

Dear Parent(s) / Caregiver(s),

Who should sing in the choir – everyone should sing the choir 😊 Singing is FUN and very good for you. Singing can reduce stress, improve memory and increase social connection.

In 2025 – due to overwhelming numbers last year - Poco Voci is for **Year 3** students only who love to sing. In Poco Voci we will sing a wide variety of songs, and this year we have the Education Queensland Choral fanfare competition in Semester One to work towards. The aim of the choir is to teach the students how to use their singing voices safely, and beautifully, and to practise choir etiquette. A high level of self-discipline is required for choral rehearsals and performances, and in choir the students learn self-discipline.

The school newsletter will be the main communication tool to parents / caregivers for choir information and performance dates, so please check your newsletter and News, Dates and Deadlines weekly for information. Poco Voci will have Parent Reps this year, so if you are interested in this role, please let me know.
