

Robertson State School

Creating Brighter Futures Together

2021 App List

All students will need these core Apps installed on their iPad before it is brought to school.

Prep students commence bringing iPads to school in Term 3.

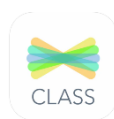

Subscription apps: Access is included once the School Resource Scheme is paid

Mathletics

New Literacy Planet

Seesaw Class

Sunshine Online

Whole-school apps (paid)

*Remember to set up Apple Family Sharing to reduce the cost of buying apps for your family. See the BYOD page on the school website or instructions. In-app purchases are not available to use with Family Sharing.

Book Creator \$4.49

** Paid version required. The free version of Book Creator is not suitable for student learning and assessment as it can only create one book.
