

Robertson State School

Creating Brighter Futures Together

Principal: Margaret Berry

Deputy Principal: Nicole Trethewey

Deputy Principal: Kerin Gordon

Dear Parents and Carers,

Listed below are 2 options available to Parents of Robertson SS students for the purchase of iPads. Please note: You are under no obligation to purchase your devices by one of the following methods. We recommend that you look for the option that best suits your family's needs.

1. Apple Family Funded Program. Robertson SS parents are now able to purchase discounted Apple products (Mac or iPad) directly through Apple, in-store. Simply go into any Apple Store (Carindale or Brisbane City, Robina), and tell them you are from Robertson SS and they will apply Education pricing to your purchase. You will receive a 4% discount on iPads, 15% discount on AppleCare and a 10% discount on Accessories. Finance options are also available for those who are interested. The team at the Apple store will also support you in setting up your iPad.
2. The P&C have organised for a BYO Portal through JB HI-FI Education. This portal allows parents of Robertson SS to purchase discounted Apple Products through a website specially designed for Robertson SS. The JB HIFI portal offers competitive pricing on iPads, Extended Warranties, accidental damage insurance and flexible payment options. A link to the portal is available on the school's website.

The login details for the JB Hi Fi parent portal are:
