Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- An overall improvement of 1-2% in Literacy - Reading and Writing;
- 100 % of teachers received coaching in numeracy strategies from a Pedagogical Coach;
- An overall improvement in digital literacies with the professional development of teachers and 100 % of classes working in 1:1 digital environments.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- An overall improvement of 1-2% in Numeracy. This is still being progressed through professional development of teachers, employment of a teacher aides to support Numeracy Blocks, and the development of a consistent whole school pedagogical approach to Numeracy;
- Improve pedagogical approaches to Science, Technology, Engineering and Mathematics (STEM) with the employment of a Numeracy teacher and iPad teacher aide to progress STEM learning outcomes;
- Refining teacher pedagogy in Literacy - 80% of teachers have engaged in mentoring and coaching through the employment of a Master Teacher. This will be progressed to 100% in 2018.
