Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- An overall improvement of 1 - 2% in numeracy with the employment of a numeracy teacher who gave intensive teaching to students below benchmark.
- An overall improvement in digital literacies with the professional development of teachers and 60% of classes working in 1:1 digital environments.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximizing the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- An overall improvement of 1-2% in literacy – reading and writing. This is being progressed through professional development of teachers and the employment of teacher aides to support guided reading and writing.
- The development of a consistent whole school approach to reading and writing with the employment of a master teacher; implementing new literacy programs and the purchase of literacy resources.
- Improving teacher pedagogy in literacy and numeracy - 60% of teachers have engaged in mentoring and coaching programs. This program is continuing.
