Volunteer Policy

A volunteer is someone who gives their time, talent, energy and expertise freely without charge in a productive way to enhance and enrich our school community. They may be relatives of students or people who have responded to a request. They work for the best outcomes for the children of Robertson State School.

Philosophy

- We believe that volunteers are invaluable to our school but need to be supported by sound policies, procedures and planning in order to meet our objectives
- Interaction between volunteers and our school enhance our role within the local community
- We believe that without volunteers, our ability to deliver an effective education to our students would be disrupted.

At our school:

Volunteers may help by

- Helping teachers in your child's classroom – organising games, reading groups, supervising outdoor activities
- Tuckshop duties – once a month, once every 3 months – it's up to you!
- P&C fundraising activities – Welcome Movie Night and disco dances, Spellathon, Fete Fiesta, Mother's day and Father's day stalls
- BBQ cooking at sports day, dances or Spring festival
- Parent class representatives
- Volunteering to become part of the P&C
- Helping in the Library
- In the Uniform shop

Skills – all you need is smile, a willing helping hand and interest in our children's education!!

P&C monthly meetings are held every 2nd Tuesday of the month alternating between morning and evening meetings monthly. All are welcome.
