

Robertson State School

Creating Brighter Futures Together

2021 App List

All students will need these core Apps installed on their iPad before it is brought to school. *Prep students commence bringing iPads to school in Term 3.*

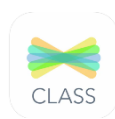

Subscription apps: Access is included once the School Resource Scheme is paid

Mathletics

New Literacy Planet

Seesaw Class

Whole-school apps (paid)

*Remember to set up Apple Family Sharing to reduce the cost of buying apps for your family. See the BYOD page on the school website or instructions. In-app purchases are not available to use with Family Sharing.

Book Creator \$4.49

Targeting Maths K \$9.99

Counting Board \$1.49

** Paid version required. The free version of Book Creator is not suitable for student learning and assessment as it can only create one book.
