iPads for use within the Education Queensland environment are required to be updated to the current iOS as anything below this causes connectivity and security issues. iPad minis are not compatible with all aspects of the EQ environment and are not supported. Cellular models are not supported and this function must be disabled for network security.

A compatible integrated keyboard is strongly recommended for use in Years 2–6. Please also ensure headphones can be connected to the iPad, an adaptor may be required.

Above prices include GST and are for pre-pack orders. Prices may vary in the retail store. A Tax Invoice will be included with your order.
